Sec. 58-7. - Collection rates and charges.

(a) The following rates and charges shall be paid to the city for its garbage and trash collection service:

- (1) *Residential*. One garbage can (unless otherwise approved by the city) with two pickups per week for each family unit, residence or apartment and one yard waste, not to exceed 20 plastic bags plus a three-foot by three-foot by six-foot stack of tree limbs per pickup per week, monthly charge: \$18.00.
- (2) *Noncontainerized commercial, industrial, governmental, and the like*. Up to two garbage cans, with two pickups per week as approved by the director of public works in section 58-2, monthly charge: \$25.75.
- (3) Unless imposed and collected as an assessment in accordance with Ordinance No. O-04-2016, such charges shall be added to, and shall become a part of, all electric and water utility bills rendered by the city, where the recipient of garbage service is a customer of city utilities, and such charges shall be paid at the same time and place as such electric and water accounts are paid. Delinquency in payment of the garbage service charge or any penalties assessed hereunder shall be cause for discontinuance of electric and water service and wastewater service. As an alternative and supplemental means of collection, the city council may elect to collect such charges through the imposition of assessments in accordance with Ordinance No. O-04-2016, which assessments may be collected pursuant to the Uniform Assessment Collection Act, as such term is defined in Ordinance No. O-04-2016.
- (4) Primary obligation for payment shall be upon the owner of the premises, who shall be deemed to be the guarantor of any tenant or person occupying premises.
- (5) Residential pickup of white goods and bulky items such as mattresses, carpet pads, beds, box springs and the like that cannot be picked up with normal garbage, which do not constitute garbage, yard waste, construction debris, recyclables, hazardous waste, and the like. The city may by resolution establish a maximum number of such items it will collect per pickup and may require prior reservation with the city to pick up such items. The items shall not be placed on the city right-of-way for collection earlier than 7:00 p.m. on the day before collection or later than 7:00 a.m. on the scheduled pickup day. Cost: \$0.00.
- (6) The city shall not pick up white goods or bulky items as described in subsection (5) of this section from other than residential customers.
- (7) Construction debris will not be picked up or collected by the city, but shall be the responsibility of the owner to dispose of such items.
