August 30, 2017

Mr. Michael Null
Assistant City Manager
City Hall
321 Walnut Street
Green Cove Springs, Florida 32043

Re: Augusta Savage Arts and Community Center
Library Renovation

Dear Mr. Null;

The Project Architect from our office was in attendance at the Bid Opening of the above referenced project on August 28th, 2017. We have subsequently reviewed the bid results.

The Base Bid from Minet, LLC, was unreasonably low and we understand they have respectfully withdrawn their bid. With the withdrawal of Minet, LLC, the apparent low bidder becomes C.C. Borden Construction of Jacksonville.

C.C. Borden has constructed several of our school projects these past few years and have demonstrated competent construction ability on each. Based on our past experience with this company, and on their position as the apparent low bidder, we would recommend the City Council select C.C. Borden to be the contractor on the Library Renovation project at Augusta Savage Arts and Community Center.

Sincerely,

E. Wendell Hall
