Sec. 74-83. Liability for damage to property. The granting of a permit under the terms of this division shall not be deemed to give any authority or to grant any license to the holder of the permit to cut any public utility wires or to damage any trees, shrubbery, public streets or private property of any kind, and the permit holder shall be fully liable for all such damage which may be done during the course of bringing or carrying a building or frame of a building through the City.

This application will be routed to the following departments for notice of the proposed move and must be signed and returned to the permitting office prior to issuance of a permit.

Planning & Zoning Director: _____

Public Works Director: _____

Police Chief: _____

Electrical Utility Director: _____

Notes:

1. A \$10,000 bond is required for all permits. Please attach the bond to the permit.
2. The cost estimate by the City shall be paid in advance. If the actual cost to the City is less than the estimate, a refund to the contractor will be issued. If the actual cost exceeds the estimate, payment will be made to the City prior to the release of the bond.
