Development Services Director Michael Daniels Resigns to Accept New Opportunity

Green Cove Springs, FL – The City of Green Cove Springs announces the resignation of Michael Daniels, Development Services Director, who has accepted a new position outside the City. His final day of service will be Thursday, July 17, 2025.

Mr. Daniels has served as Development Services Director for six years, overseeing major projects such as the establishment of the City's first Community Redevelopment Agency and the adoption of its corresponding Community Redevelopment Plan. Under his leadership, the Development Services Department made significant strides in attracting new businesses and developments to the City and laying the groundwork for long-term growth and revitalization.

"We appreciate Mr. Daniels' dedication and the positive impact he has had on the department and the City as a whole," said City Manager Steve Kennedy. "We wish him continued success in this next chapter of his career."

An interim department head will be announced in the coming days, and the City will begin the process of selecting a permanent replacement. In the meantime, Lyndie Knowles will serve as the primary point of contact for Development Services inquiries. She can be reached at (904) 297-7051 or by email at lknowles@greencovesprings.com.
