Vision Plan

CITY OF GREEN COVE SPRINGS GOVERNMENT

GENERAL INFORMATION

The City of Green Cove Springs is geographically located in Northeast Florida. The City's boundaries encompass 8 square miles. The latest estimate of the City's population is 7,813.

FIVE-MEMBER CITY COUNCIL

The City of Green Cove Springs, a political subdivision of the State of Florida, is guided by an elected five-member City Council. Council Members are elected in non-partisan elections to represent the entire City. The City Council performs legislative functions of government by developing policy for the management of the City of Green Cove Springs. The City Manager, a professional appointed by the Council, and the City Manager's staff are responsible for implementation of those policies. The City Attorney and City Clerk are also appointed by the City Council.

ROLE OF THE CITY MANAGER

The City Manager is an appointed official who is responsible for carrying out all decisions, policies, ordinances, and motions of the City Council.

The Departments under the City Manager are responsible for providing road maintenance, parks and recreation, development services, law enforcement services, and utility services. Offices that provide support services (human resources), finance, and information technology are also under the direction of the City Manager.

These services are grouped into the following Departments: City Council, City Clerk, City Manager, Human Resources, Augusta Savage Arts & Community Center, Finance, Information Technology, General Services, City Attorney, Development Services, Code Enforcement, Police, Public Works, Right-of-Way Maintenance, Parks & Recreation, Parks & Recreation Programming, Equipment Maintenance, Building Fund, Special Law Enforcement Trust Fund, Electric, Water, Wastewater, Reclaimed Water, Solid Waste, Customer Service, and Stormwater. Support Staff for these Departments report to the City Manager.

INTRODUCTION

This document represents the approved financial budget for FY 2019/2020 for the City of Green Cove Springs. The document is divided into seven (7) Sections: Section One – Budget Message and Budget Summary, Section Two – Fund Summaries, Section Three – Department Summaries, Section Four – Capital Improvement Program, Section Five – Debt Service, Section Six – Glossary of Key Terms, and Section Seven – Fiscal Policies.

Section One – Budget Message and Budget Summary contains information about the process of adopting the budget, graphs and information about revenue sources, summary tables of the department budget, a description and summary of the City's interfund transfers, and a summary of funded full-time equivalent positions.

Section Two – Fund Summaries include a budget by fund segment listing detailed information about various funds and their adopted funding levels.

Section Three – Department Summaries include mission statements and summary budgets for each City Department.

Section Four – Capital Improvement Program (CIP) includes a listing of the Capital Improvement Projects for FY 2019/2020 through FY 2023/2024.

Section Five – Debt Service includes information about the City's outstanding debt obligations.

Section Six – Glossary of Key Terms includes a listing of various budget document terms.

Section Seven – Fiscal Policies includes fiscal policies for the City.

Persons interested in reviewing any materials or documents comprising the FY 2019/2020 approved budget at any level are encouraged to contact the City of Green Cove Springs Finance Department at (904) 297-7500. The Finance Department's location and mailing address is 321 Walnut Street, Green Cove Springs, FL 32043.

SECTION ONE

BUDGET SUMMARY

INTRODUCTION TO CITY BUDGETING

Defining a City Budget

A City Budget is a plan for using City government's financial resources. The budget estimates proposed spending for a given period and estimates the proposed means of paying for them. Two components of a budget are the revenue or sources and the expenditure or uses.

Defining Revenue

Revenues are the financial resources. The City of Green Cove Springs has a large variety of revenue sources including property taxes, licenses, permits, charges for services, fines and grants.

Defining Expenditure

Expenditure is a use of financial resources. There are three types of expenditures: operating, capital and debt. Operating expenditures include the day-to-day expenses such as salaries, supplies, utilities, and equipment purchases. Capital expenditures include construction of roads, parks, buildings and the purchase of land. Debt is the expense related to principal and interest on long-term bonds and notes issued by the City.

Defining Fund Balance

Fund balances are funds carried over from the previous fiscal year. The City has a variety of uses for fund balance including reserve for future capital projects, for emergencies and catastrophes, for certain bond issues, and for other contingencies and expenditures.

Defining Fund Accounting

Government budgeting divides the budget into categories called funds. Fund accounting and budgeting allows a government to budget and account for revenues restricted by law or policy. Some restrictions are imposed by national accounting standards, the federal and state governments and by the City Council. As a result, the City develops a budget with categories to reflect imposed restrictions. This is done by using a variety of funds. Funds allow the City to segregate the restricted revenues and related expenditures.

The City budget has various funds that account for restricted revenues and expenditures. Each fund must balance – revenues (sources) must equal expenditures (uses) – and each fund must be separately monitored. The City budget, adopted each year by the Council, is the total of all funds.

THE BUDGET PROCESS

The process of compiling the City of Green Cove Springs annual budget is practically a year-round activity. The basis for the process is statutory deadlines established by the State of Florida. The Finance Department establishes the remainder of the process to ensure necessary information is collected, priorities are determined and recommendations can be made by the City Manager to the Council. The City Manager is the official Budget Officer for the City of Green Cove Springs. The Council establishes tax rates and adopts the annual budget.

The budget process began with a review and consideration of comments from the prior year budget process. This led to the budget “kick-off” meeting in April 2019 with Department Directors. Directions for the budget process were provided and written budget instructions were distributed. Departments were instructed to prepare budgets using a “continuation” funding level. “Continuation” level funding is the level of funding needed to provide the same level of service in the next fiscal year as was provided in the current fiscal year.

The City Manager formally presented the Proposed Budgets in July 2019. The Council and public review, changes, and formal adoption lasts through late September.

This includes workshops with the Council to discuss the operating budget and the capital improvement budget.

The proposed millage rates for FY 2019/2020 will be set on July 23, 2019. The proposed millage rates were used by the Property Appraiser to prepare Truth-in-Millage or “TRIM” notices will be distributed in mid-August. TRIM notices advise County taxpayers of how tax rates proposed by all local taxing authorities combines with current information on assessed value of real property and how it will affect the taxes on each taxed parcel of land. The TRIM notice also serves as the official notification of the time and place of the first public hearing for adoption of tentative millage rates and budget by each taxing authority.

State law requires two public budget hearings. The first public budget hearing will be held on September 3, 2019. After hearing public testimony, the Council will adopt tentative millage rates and a proposed FY 2019/2020 budget. The second public hearing will be held on September 17, 2019. The hearing will be advertised by a published notice and a published breakdown of the millage rates and budget. Like the first public hearing, the Council will hear public testimony prior to adopting the final millage rates and the final budget.

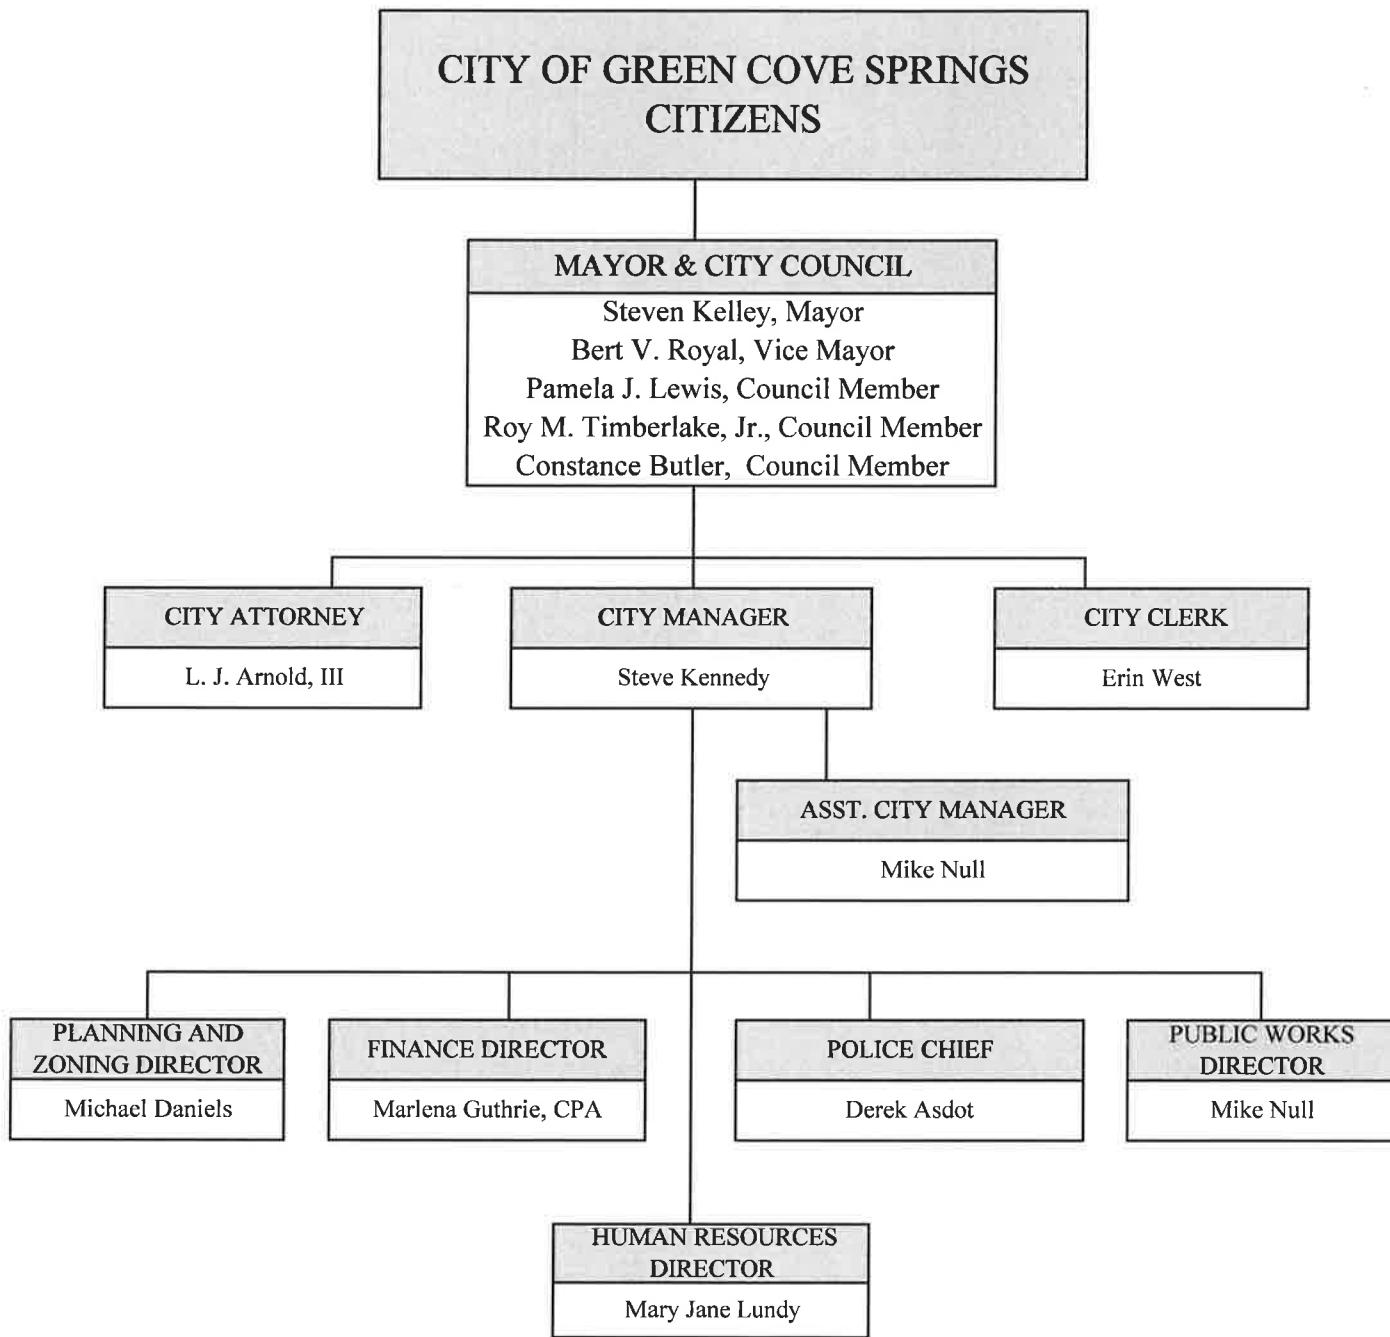

BUDGET PROCESS HIGHLIGHTS

Preparation	April 2	Budget Kickoff Meeting
	May 14	Budget Submission due from Departments
Review	May-July	Finance Department, Assistant City Manager, City Manager and Department Directors review budgets
	July 1	Official preliminary taxable values provided by Property Appraiser's Office
Adoption	July – August	Workshops are held on the Operating and Capital Improvement Budgets, to set millage rates and discuss any budget issues
	July 18	City Manager presents proposed budgets to Council
	July 9	Council establishes Public Hearing dates for the adoption of the Budget
	September 3	First Public Hearing to Adopt Tentative Millage Rates for 2019/2020 and Budget (required by State Law)
	September 17	Second Public Hearing to Adopt Final Millage Rates for 2019/2020 Tax Roll and the FY 2019/2020 Budget (required by State Law)

CITY OF GREEN COVE SPRINGS GOVERNMENT

SUMMARY INFORMATION

The approved budget for FY 2019/2020 increased \$5,882,262 from the FY 2018/2019 approved budget. However, most of the increase is due to the increase in CIP Projects which includes CIP Funds used for the Electric Utility, Water Utility, and Wastewater Utility.

The Operating Budget

Expenditures

The major component of the budget is the operating budget, which is the portion that pays for the day-to-day services. The operating budget is composed of five types of expenditures: personal services, operating expenses, capital outlay, debt service and grants and aids.

Personal Services reflects salaries of elected officials, salaried and hourly employees, and temporary employees. It includes overtime pay, mandatory contributions to the Florida Retirement System, social security and Medicare Taxes and employee health insurance, and life insurance premiums.

Operating Expense reflects costs of supplies, utilities, fuel, rent, professional service contracts, etc. Increases in this area reflect mostly adjustments for materials, supplies, fuel, and other operating costs.

Capital Outlay reflects costs of equipment, fleet, data processing and other equipment. The changes in this category represent mainly equipment and vehicles necessary to replace an aging fleet and equipment in various City Departments.

Debt Service reflects legally obligated payments (principal and interest), reserves, and debt administration costs on outstanding borrowings of the City.

Grants and Aids reflect amounts appropriated to regional governments, agencies, or other not-for-profit organizations and businesses to support programs or activities provided by those organizations that provide benefit to the City.

Revenues

Property Taxes – Overall, the City's taxable value increased by \$33.5 million or 7.52% from FY 2018/2019. The City also experienced a 1.64% increase in tangible personal property values from FY 2018/2019.

Other Taxes – There continues to be growth in other tax revenue which includes increased receipts from existing taxes, which include the Infrastructure Surtax, Telecommunications Taxes, Gas Taxes, and Sales Taxes.

Charges for Services – The charges and fees associated with the operations of the City's utility system are \$18.7 million or \$1.0 million more than FY 2018/2019.

Licenses and Permits – The City Council authorizes the collection of Building Permit Fees that are used as an offset for the cost of building inspection operations.

Additional detailed information on City revenues and millage rates can be found in the "Major City Revenues" section.

MAJOR REVENUE SOURCES

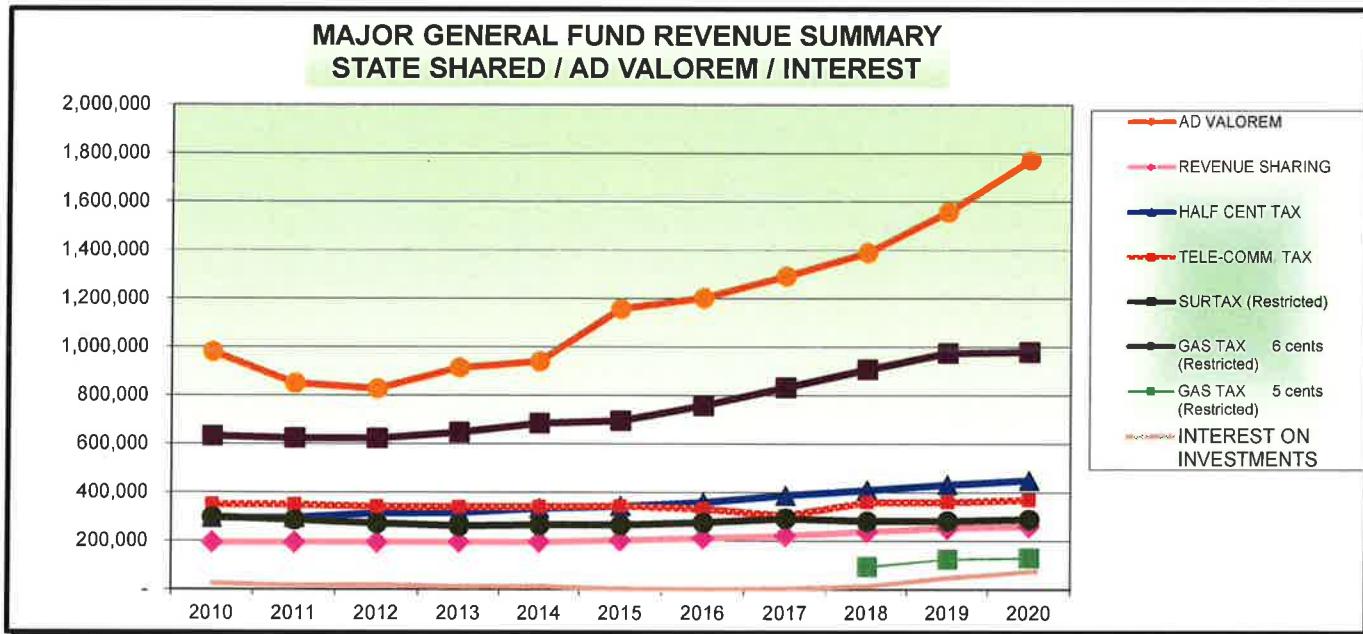

The City of Green Cove Springs relies on a variety of revenue sources to finance operations and construction activities. These sources include taxes, charges for services, fines, and intergovernmental funding. A number of factors influence revenues; changes in County-wide and City population, changes in a specific service population, increases or decreases in real disposable income, and inflation. One or more of these factors impact most revenues both directly and indirectly.

Estimates of revenues for budgetary purposes are gathered from several sources. Operating Departments provide estimates of revenue from charges for services, State and Federal grants, licenses and permits, and fines. The State Department of Revenue provides estimates of revenues from the Local Government Half-Cent Sales Tax, Infrastructure Surtax, Telecommunications Public Service Tax, various State collected gasoline taxes and the State Revenue Sharing Program. Ad valorem taxes are estimated from taxable property values provided by the Property Appraiser on July 1st of each year in conjunction with estimated millage rates.

This section discusses major revenues and how they have changed over time.

AD VALOREM PROPERTY TAX

General Fund Ad Valorem Property Taxes are derived from all non-exempt real and personal property located within the City of Green Cove Springs. General Fund Ad Valorem Taxes are used to provide primary support for City-wide programs such as administrative services, law enforcement, park services, election services, and growth management services.

Actual tax collections in FY 2018 were 99% of the amount budgeted in the General Fund.

For FY 2019/2020, 97% of projected collections are budgeted.

PROPERTY TAX COLLECTIONS

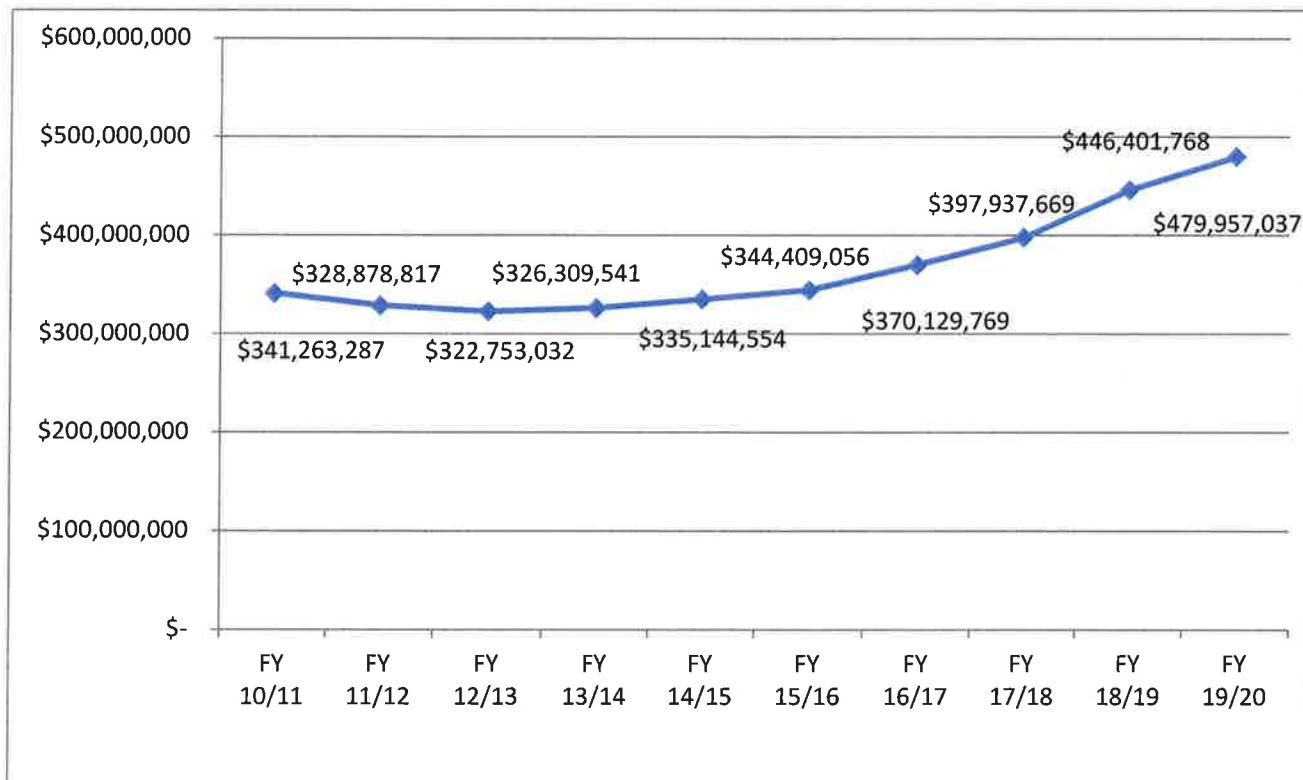

PROPERTY VALUES

The City of Green Cove Springs' tax base had previously declined over four (4) years from FY 09/10 to FY 12/13. This was largely a result of the downturn in the economy, the declining value of real property, and the passing of Amendment One which puts restrictions on the amount of millage to be assessed. The City of Green Cove Springs' tax base has increased since FY 12/13 mainly due to an increase in the millage rate, increasing value of real property and new construction. For FY 2019/2020, the General Fund millage rate is approved at 3.8000 mills.

Millage Rate History

FY 1991 – 2006	2.611
FY 2007	2.6
FY 2008 – 2012	2.57
FY 2013 - 2014	2.9821
FY 2015-2019	3.6000
FY 2020 Approved	3.8000

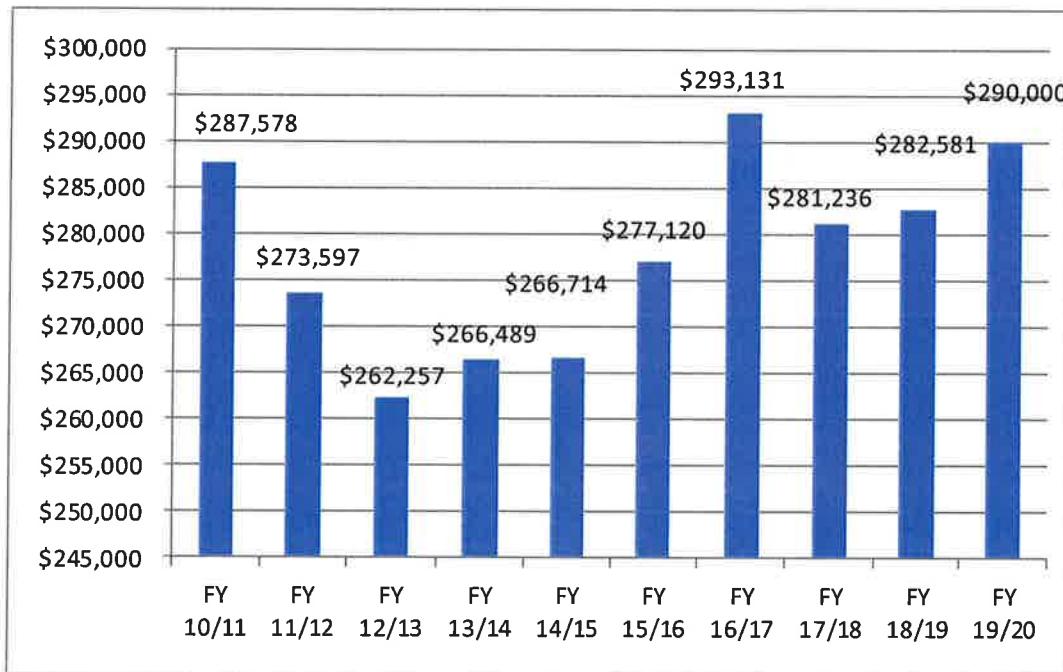

Property Values

LOCAL OPTION FUEL TAX

The Local Option Fuel tax is a six cent tax imposed by Clay County on every gallon of fuel sold at the retail level. The tax became effective on September 1, 1989. The State collects the Local Option Fuel Tax and distributes it as follows: Clay County 85.9% and Green Cove Springs 5.7%. The Local Option Fuel Tax will sunset on December 31, 2041. This tax supports the City of Green Cove Springs' right-of-way maintenance, and road and street services such as paving and sidewalk improvements.

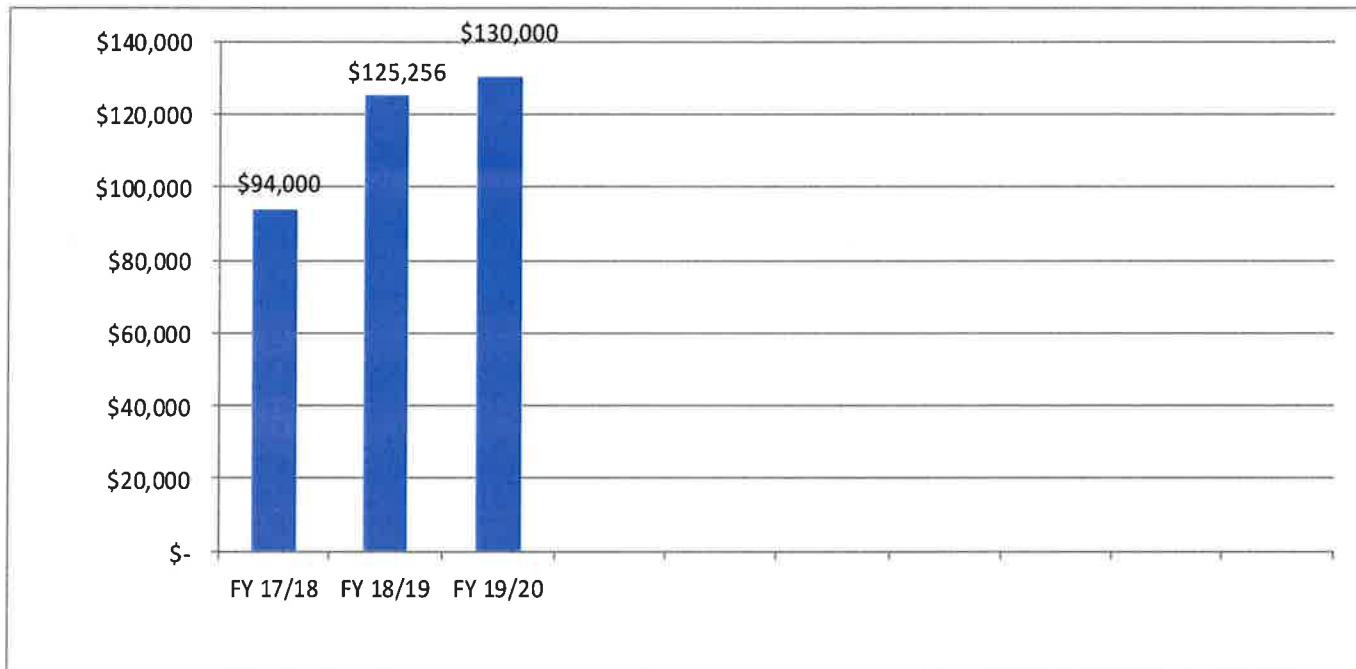

LOCAL OPTION FUEL TAX

LOCAL OPTION FUEL TAX

The Local Option Fuel tax is a five cent tax imposed by Clay County on every gallon of fuel sold at the retail level. The tax became effective on January 1, 2018. The State collects the Local Option Fuel Tax and distributes it as follows: Clay County 82.96% and Green Cove Springs 3.43%. The Local Option Fuel Tax will sunset on December 31, 2041. Revenue from the gas tax can only be used for road work, specifically work that would increase capacity for roads.

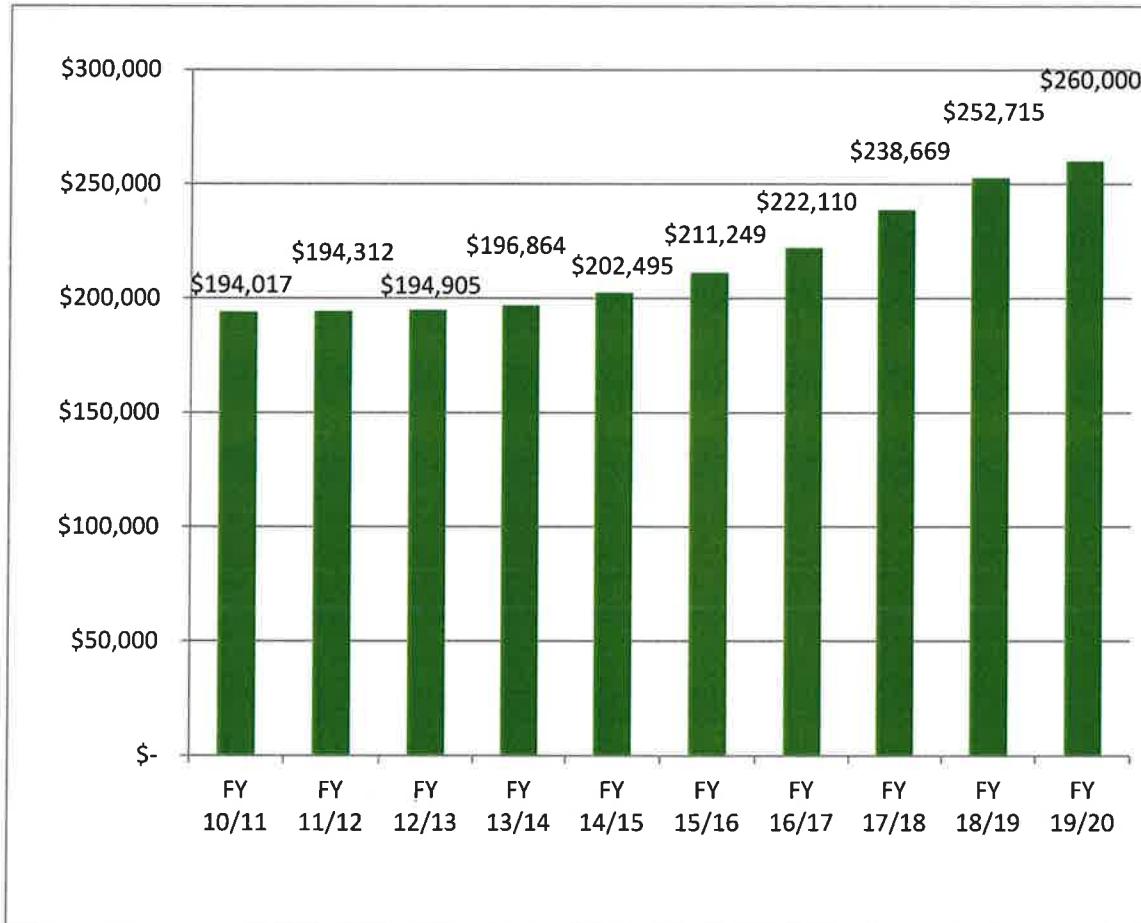

LOCAL OPTION FUEL TAX

STATE REVENUE SHARING

State Shared Revenues include the State Revenue Sharing Program that consists of Sales Taxes, Municipal Fuel Taxes, and State Alternative Fuel User Decal Fees. In FY 2019/2020, the City of Green Cove Springs' State Revenue Sharing is budgeted at \$260,000. This amount is \$16,596 more than the prior year's collection of \$243,404. The FY 2019/2020 budget of \$260,000 is \$7,285 more than the prior year's approved budget of \$252,715 and is based on projections from the State of Florida.

STATE REVENUE SHARING

TELECOMMUNICATIONS TAX

The Communications Services Tax Simplification Law was enacted to restructure taxes on telecommunications, cable, direct-to-home satellite, and related services that existed prior to October 1, 2001. The definition of communications services encompasses voice, data, audio, video, or any other information or signals, including cable services that are transmitted by any medium. The law replaced and consolidated seven (7) different State and Local taxes or fees with a single tax comprised of two (2) centrally-administered parts: a state communications tax and a local communications tax. The tax is imposed on retail sales of communications services which originate and terminate in the State, or originate or terminate in the State and are billed to an address within the State. Tax proceeds are transferred to county and municipal governments, the Public Education Capital Outlay and Debt Service Trust Fund, and the State's General Revenue Fund.

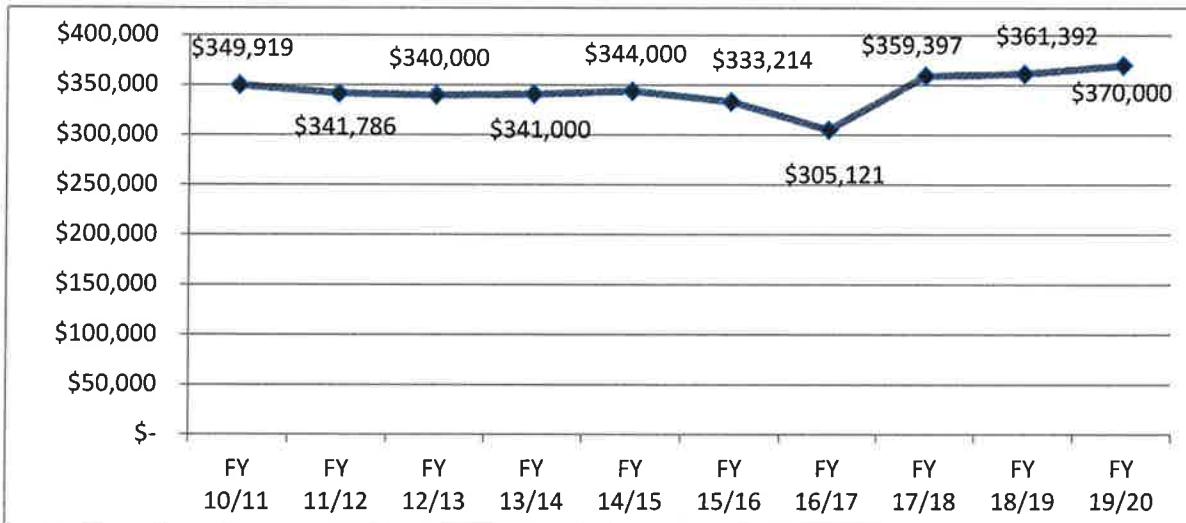

State Communications Services Tax

The amount of tax revenues available for distribution to local governments is dependent on each jurisdiction's local communications service tax rate. The tax revenues, less the DOR's administrative cost deduction, are distributed monthly to the appropriate jurisdictions. The proceeds of taxes imposed pursuant to Section 202.19(5), F.S., shall be distributed in the same manner as the local option sales taxes. The revenue per State estimates for FY 2019/2020 for the City of Green Cove Springs is \$370,000 or \$8,608 more than estimated for FY 2018/2019. The City's Telecommunications Tax rate is 5.22.

Authorized Uses

The revenues derived from the local communications services tax may be used for any public purpose, including the pledge of such revenues for the repayment of current or future bonded indebtedness. Revenue raised by a tax imposed pursuant to Section 202.19(5), F.S., shall be used for the same purposes as the underlying Local Option Sales Tax imposed by the County or School Board pursuant to Section 202.055, F.S.

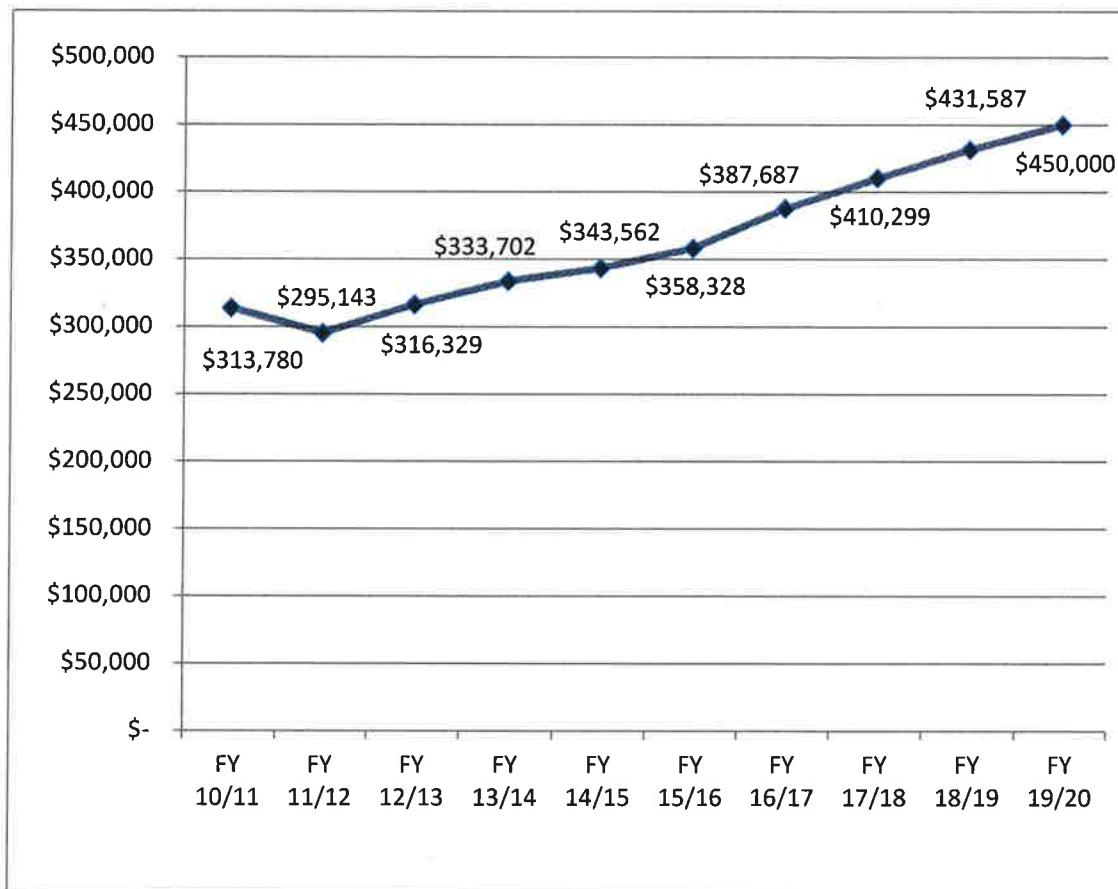

TELECOMMUNICATIONS TAX

LOCAL GOVERNMENT HALF CENT SALES TAX

This revenue program's primary purpose is to provide relief from ad valorem and utility taxes in addition to providing revenues for local programs. Revenues are used to support City-wide services. In FY 2019/2020, Local Government Half Cent Sales Tax collections are estimated at \$450,000 or \$18,413 more than the State estimates for FY 2018/2019.

LOCAL GOVERNMENT HALF CENT SALES TAX

DISCRETIONARY SURTAX

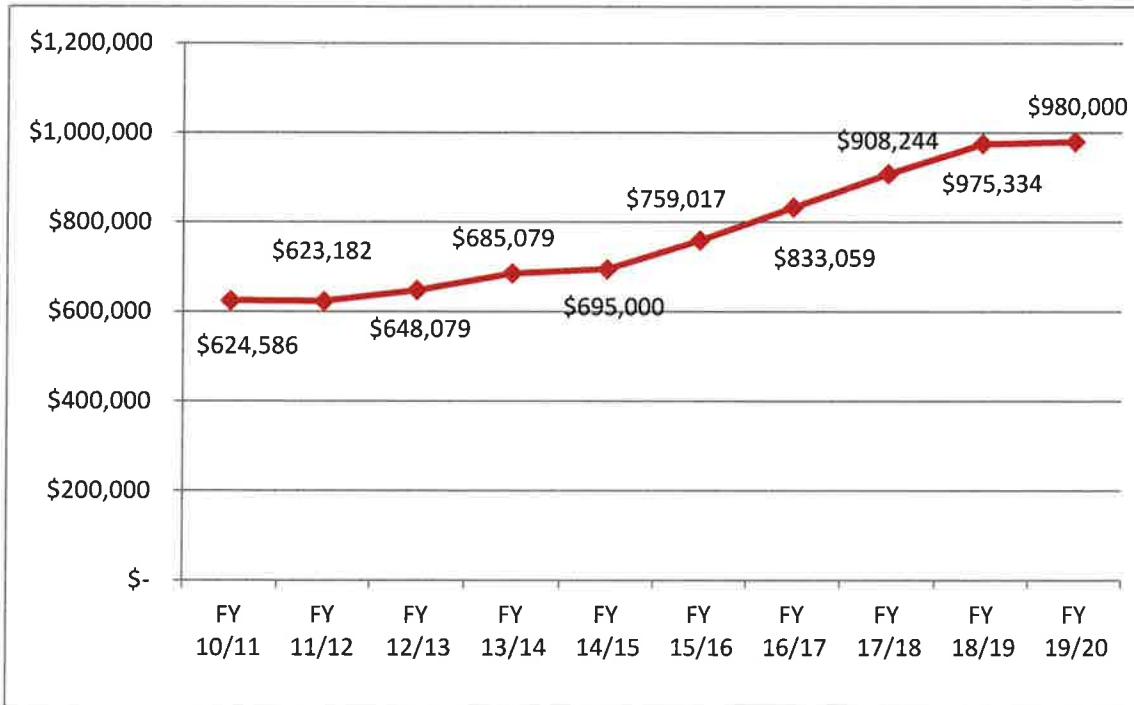

The Local Government Infrastructure Surtax shall be levied at the rate of 0.5 or 1 percent pursuant to an Ordinance enacted by a majority vote of the County's governing body and approved by voters in a county-wide referendum. Generally, the proceeds must be expended to finance, plan, and construct infrastructure, to acquire land for public recreation, conservation, or protection of natural resources, or to finance the closure of local government-owned solid waste landfills that have been closed or are required to be closed by order of the Department of Environmental Protection (DEP). This levy shall be approved pursuant to an Ordinance enacted by a majority of the members of the County's governing body and approved by voters in a county-wide referendum. In lieu of action by the County's governing body, municipalities representing a majority of the County's population may initiate the surtax through the adoption of uniform Resolutions calling for a county-wide referendum on the issue. If the proposal to levy the surtax is approved by a majority of the electors, the levy shall take effect. The levy may only be extended by voter approval in a county-wide referendum. The levy that was set to expire on December 31, 2019 was extended by voter approval in a county-wide referendum. The extension becomes effective on January 1, 2020 and expires on December 31, 2039.

The surtax proceeds and any accrued interest shall be expended for the following purposes:

1. To finance, plan, and construct infrastructure.
2. To acquire land for public recreation, conservation, or protection of natural resources.
3. To finance the closure of county of municipal-owned solid waste landfills that have been closed or are required to be closed by order of the DEP. Any use of the proceeds or interest for purposes of landfill closures before July 1, 1993, is ratified.

The City's revenues from Surtax for FY 2019/2020 are estimated by the State to be \$980,000 or \$4,666 more than estimated for FY 2018/2019.

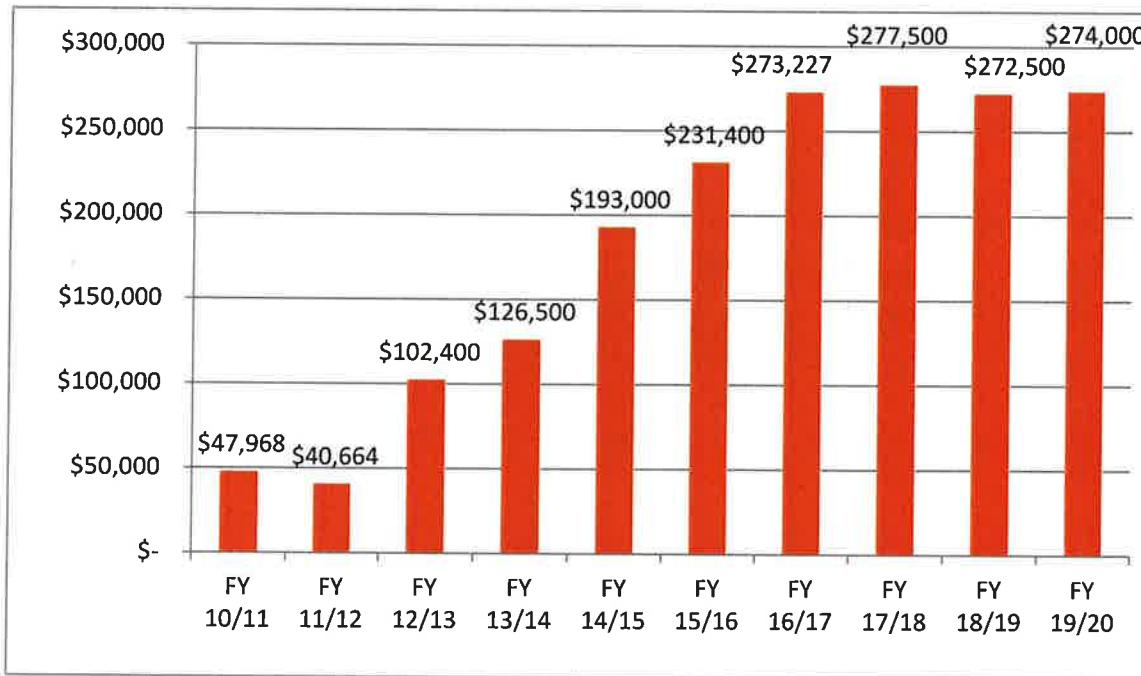

DISCRETIONARY SURTAX

BUILDING PERMITS, INSPECTIONS, AND PLAN REVIEWS

Building Permits, Inspections, and Plan Reviews revenues are collected primarily from the issuance of building permits, building inspections, and development review fees. In FY 19/20, collections for permits and plan reviews are estimated to be \$274,000. The FY 19/20 budget of \$274,000 is based on projections of anticipated building activity.

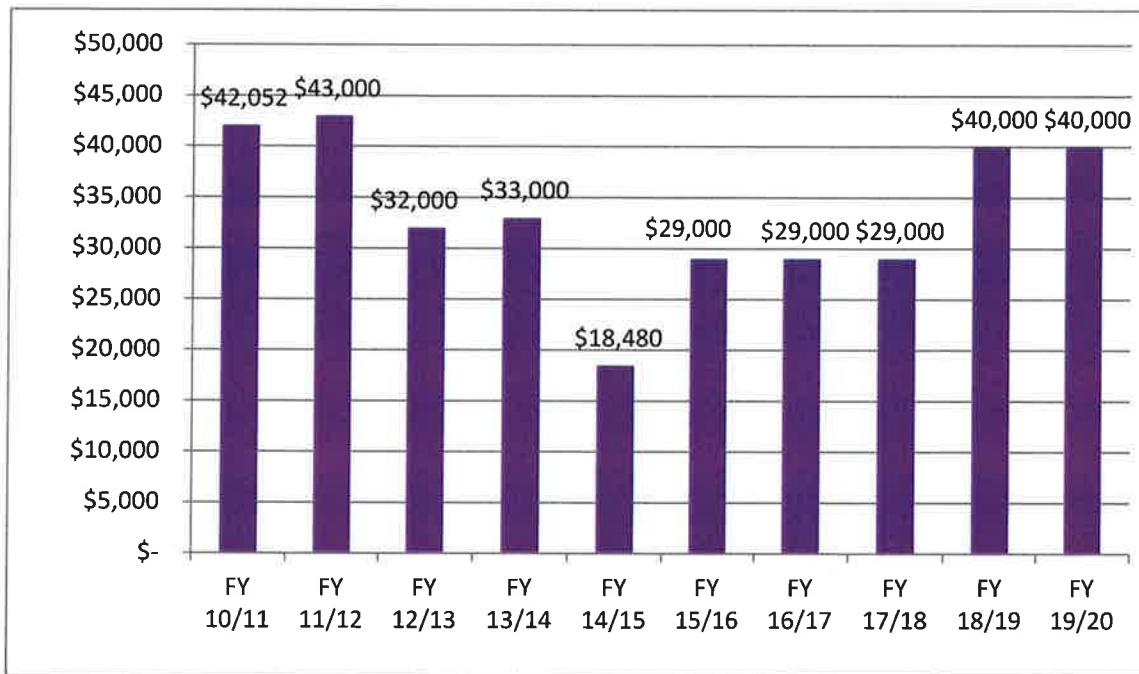

BUILDING PERMITS, INSPECTIONS, AND PLAN REVIEWS

FINES AND FORFEITURES

Fines and Forfeitures are collected from the fees and penalties that are imposed for statutory offenses, violation of City Ordinances, and imposed court costs. In FY 18/19, actual collections of fines and forfeitures were estimated to be \$40,000. This amount is \$26,924 more than the FY 17/18 collections of \$13,076. The FY 19/20 budget of \$40,000 is the same as the FY 18/19 budget of \$40,000 and is based on historical analysis of prior year collections and the addition of a canine unit.

FINES AND FORFEITURES

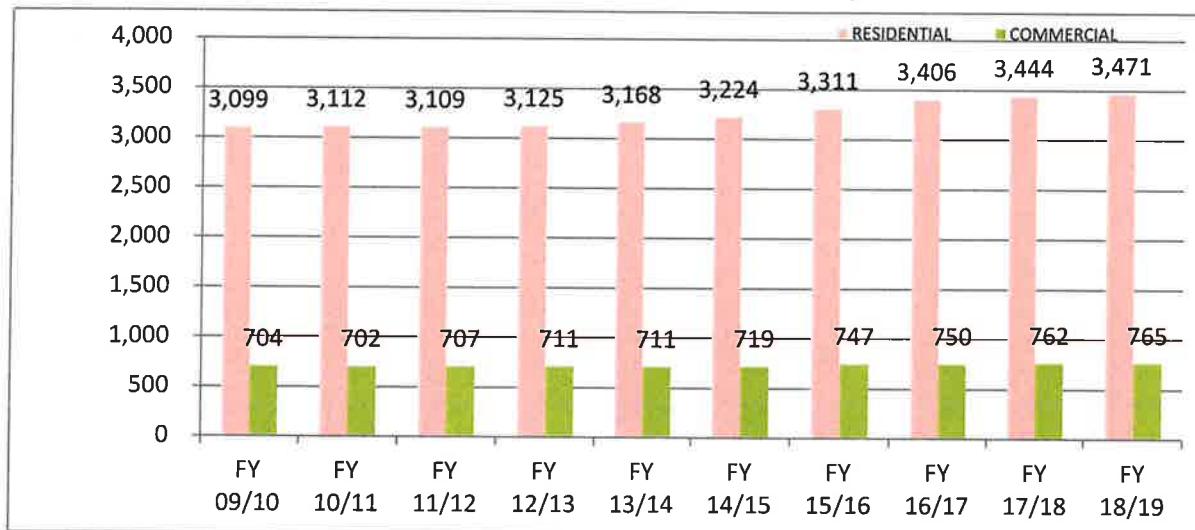

ELECTRIC CUSTOMERS

On February 12, 1985, the City, along with several other municipalities (the project participants), entered into separate agreements with the Florida Municipal Power Agency (FMPA) whereby FMPA agreed to sell and deliver to the project participants, and the project participants agreed to purchase and receive from FMPA, all electric capacity and energy which the project participants shall require (except St. Lucie) for the operation of their municipal electric systems. The City has given FMPA notice pursuant to Section 2 of the All-Requirements Power Supply Contract that the term of their contract will not renew automatically each year after the initial contract term. The term of the contract is now fixed and will terminate on October 1, 2037.

Power rates are determined by the Board, subject to approval of the project participants, but must be sufficient to meet FMPA's revenue requirements. Charges to the City are payable solely from utility revenues and in no way can FMPA compel the City to exercise its taxing power. Total costs under this contract during 2018 were approximately \$7.9 million per audited financial statements. The costs for both the FMPA and St. Lucie Project for 2018 were \$8.8 million.

Total all Utility Funds				\$ 2,269,551	\$ 20,636,764	

*Note 1 The annual debt service on the All Requirements Project is made through the formula for computing purchase power annually and not budgeted as a separate line item. The principal balance is estimated as of this date.

*Note 2 The annual debt service is paid out of the total cost each month. These costs include purchased power as well as debt service. The annual payment for 2019/2020 is estimated at \$981,688.

ESTIMATION OF CITY'S ENDING FUND BALANCE

The City's estimation of ending fund balance can be looked at as its financial position on September 30, 2019. The City maintains an annual appropriated balance at a level sufficient to maintain adequate cash flow and to eliminate the need for short-term borrowing, separate from the reserve for contingency. The total unappropriated fund balance for the City is \$11,988,584 in estimated reserves. This estimated amount is available for appropriation in FY 2020.

A factor that should be reviewed when estimating the City's financial position on September 30, 2020 is to project how much of the funds appropriated in the proposed budget will actually be spent, based on past experience and current trends. Any remaining (unspent) funds or excess revenues will create an ending fund balance.

APPROVED BUDGET FUND BALANCE SUMMARY

Fund Title	Estimated Beginning Fund Balance 09/30/18	Operating Revenues/ Sources 09/30/19	Operating Expenditures/ Uses 09/30/19	Estimated Ending Fund Balance

INTERFUND TRANSFER OVERVIEW

A transfer in or transfer out is the transfer of revenue from one government unit to another or from one fund to another.

Other significant transfers are from the Electric, Water, Wastewater and Solid Waste Utility Funds to the General Fund to help support government functions. The Electric, Water, Wastewater and Solid Waste Utility Funds also transfer funds to the General Fund to offset millage rates.

Also, each Utility Fund transfers funds into the Customer Service Fund for the operations of the Utility Operations, Utility Billing and Warehouse Operation Divisions.

INTERFUND TRANSFERS SUMMARY

TRANSFERS OUT		AMOUNT	TRANSFERS IN		AMOUNT
401	ELECTRIC	\$ 1,477,274	001	GENERAL FUND	\$ 282,195
			001	GENERAL FUND	1,000,000

TOTAL TRANSFERS		\$ 5,391,219			\$ 5,391,219

Total transfers to the General Fund are budgeted to be \$1,836,331 for FY 2020.

Total transfers to Customer Service are budgeted to be \$453,497 for FY 2020.

ECONOMIC INDICATORS

THE CITY

Green Cove Springs is located in Clay County along the St. Johns River and was incorporated on November 2, 1874. During the 1850s, the City population was 1,500. It is now estimated to be 7,813.

FORM OF GOVERNMENT

The City has a charter government structure approved by referendum of the electors pursuant to the Constitution and laws of the State of Florida. The City operates under the Council / Manager Form of government with a Council comprised of five (5) elected members.

ECONOMIC CONDITION AND OUTLOOK

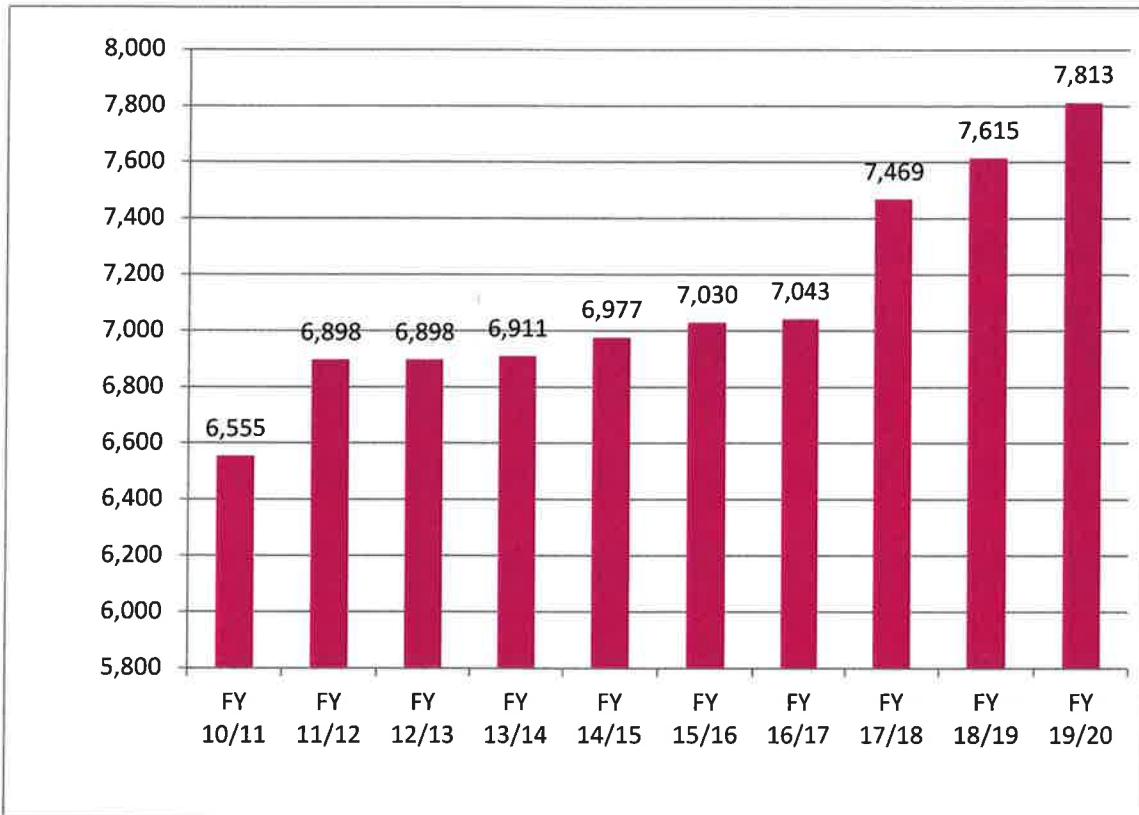

The City of Green Cove Springs is located in Clay County, and falls within the Jacksonville Metropolitan Statistical Area (MSA). The local economy is tied to nearby military facilities, service industries, shopping centers, retirement homes, as well as farming. The area offers great opportunities for economic development as evidenced by industrial parks located both north and south of Green Cove Springs.

The market value of properties within Green Cove Springs increased 76.78% from 2004 to 2008. Due to the economic recession, the market value decreased 24.88% from 2008 to 2012. Since 2012 the market value has increased 43.91%. Since 2018, the annual new construction value has remained steady. (Source: Clay County Property Appraiser 2018 Annual Report)

DEMOGRAPHIC & ECONOMIC INFORMATION

It is necessary to look at the City in the context of its environment to understand the City's financial position. The next several pages contain graphs and discussion about the City's economic and demographic environment.

CITY POPULATION

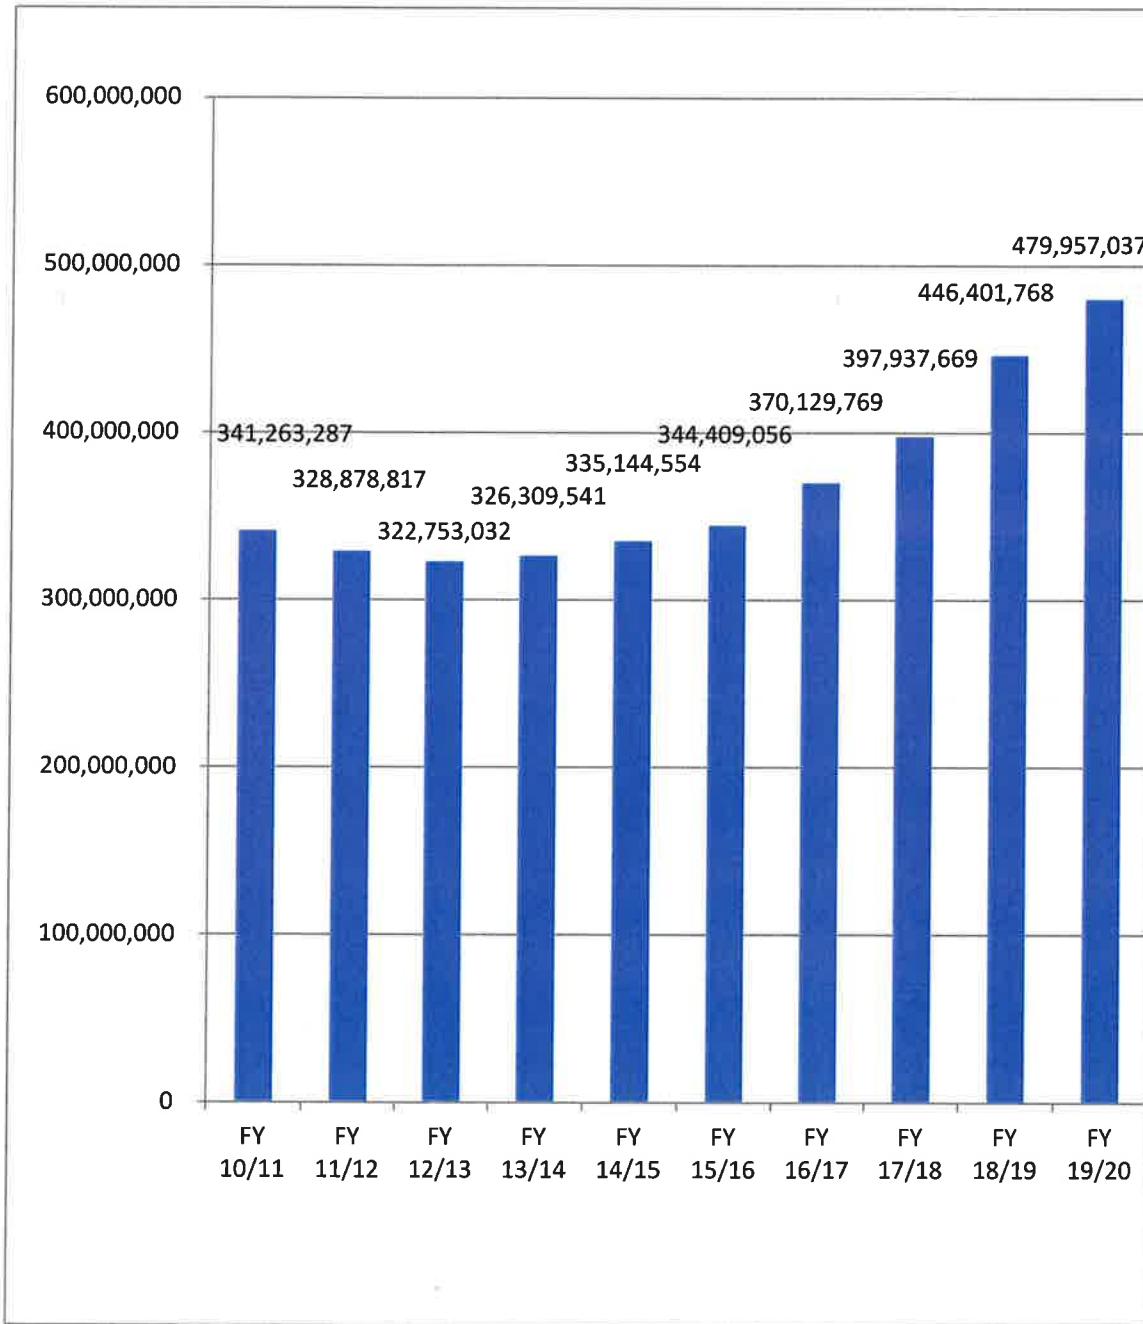

The City of Green Cove Springs' population has been growing at a rate of 19.19%. This is an increase from FY 10/11 to FY 19/20 of 1,258 persons or an average of 125.8 persons per year over a 10-year period. Per State of Florida estimates, the population for FY 2019/2020 is 7,813.

DEMOGRAPHIC & ECONOMIC INFORMATION

The graph showing “Total Taxable Value” reflects a steadily declining total taxable value from 2010 to 2013 but from 2014 to current the trend is showing an increase. The total taxable value increased for FY 2019/2020 by \$33.5 million from FY 2018/2019.

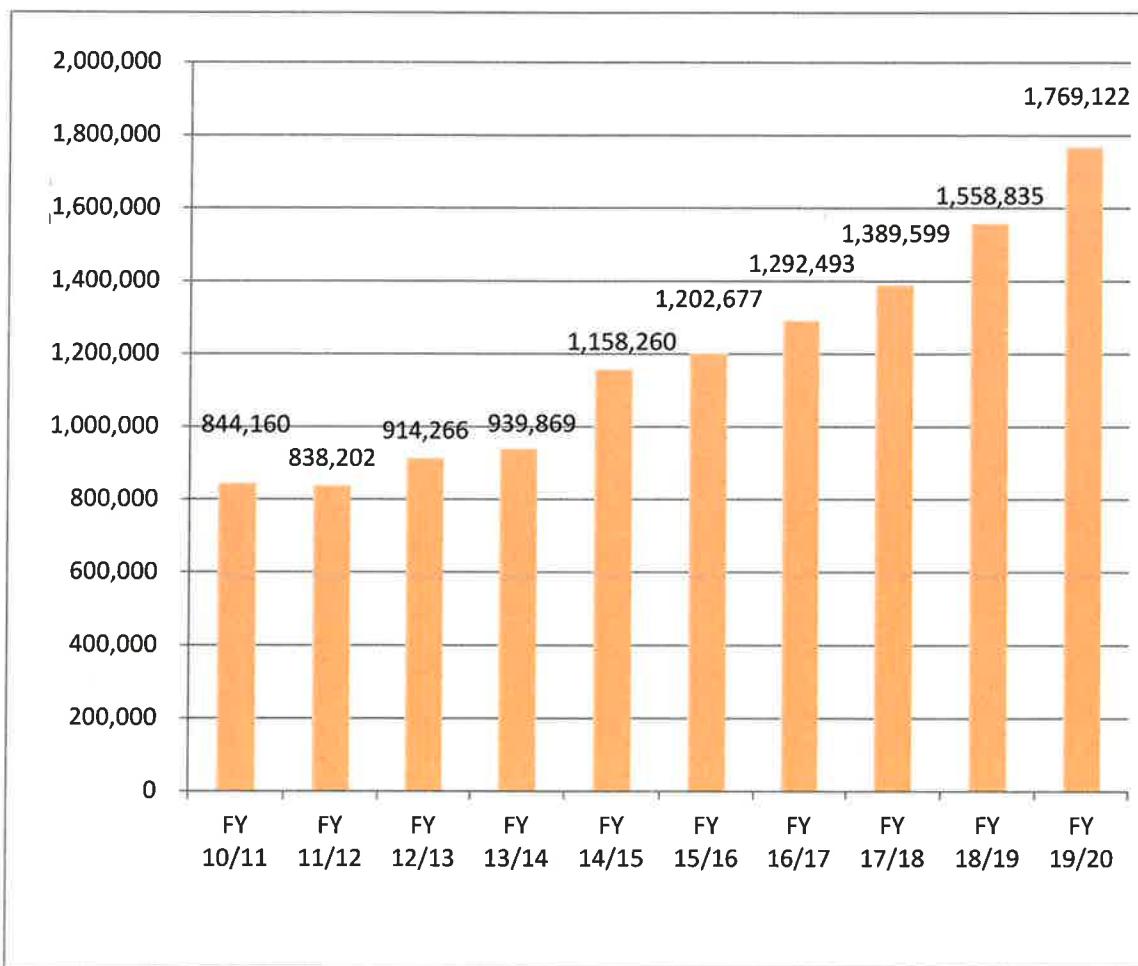

TOTAL TAXABLE VALUE

DEMOGRAPHIC & ECONOMIC INFORMATION

Property tax is a crucial revenue source to consider when evaluating financial condition. It is one of the City's largest revenue sources. Property taxes are used to fund services such as law enforcement, recreation, development services, and other general government activities. The City experienced a decrease in revenue from fiscal years 2010 to 2013 due to decreased valuations. A millage rate of 3.6000 in 2019 generated approximately \$1,558,835 with an estimate of 97% collections budgeted. A millage rate of 3.8000 in 2020 will generate \$1,769,122 with an estimate of 97% collections. However, property tax revenue is estimated to increase in FY 2019/2020 due to an increase in taxable values.

PROPERTY TAX REVENUE CONSTANT VALUE

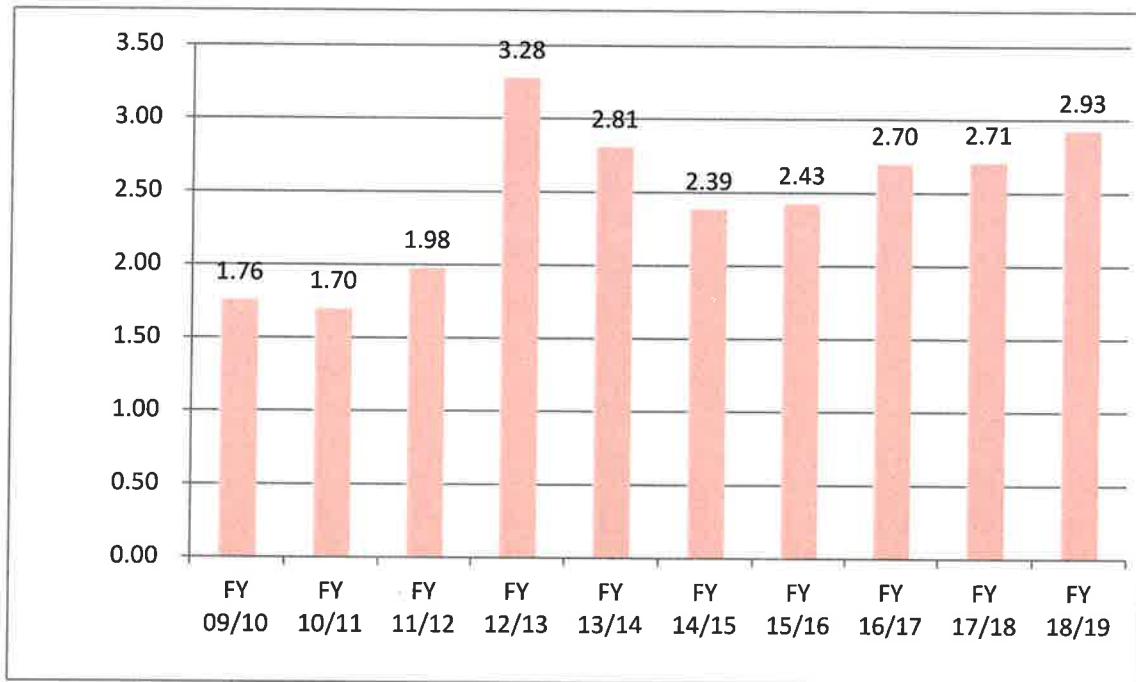

Source: Clay County Property Appraiser

DEMOGRAPHIC & ECONOMIC INFORMATION

Per capita revenue illustrates revenue changes relative to population changes. As the population increases, an assumption can be made that the need for services would increase proportionately and, therefore, the level of per capita revenue should remain at least constant in real terms. If per capita revenue is decreasing, it would be expected that the City would not be able to maintain existing service levels unless it were to find new revenue sources or financial savings, assuming cost of service correlates to population.

OPERATING REVENUE PER CAPITA

Sources: FY 10-FY 19 Annual Financial Statements, US Labor Statistics for All Urban consumers, FL 19 figures are unaudited.

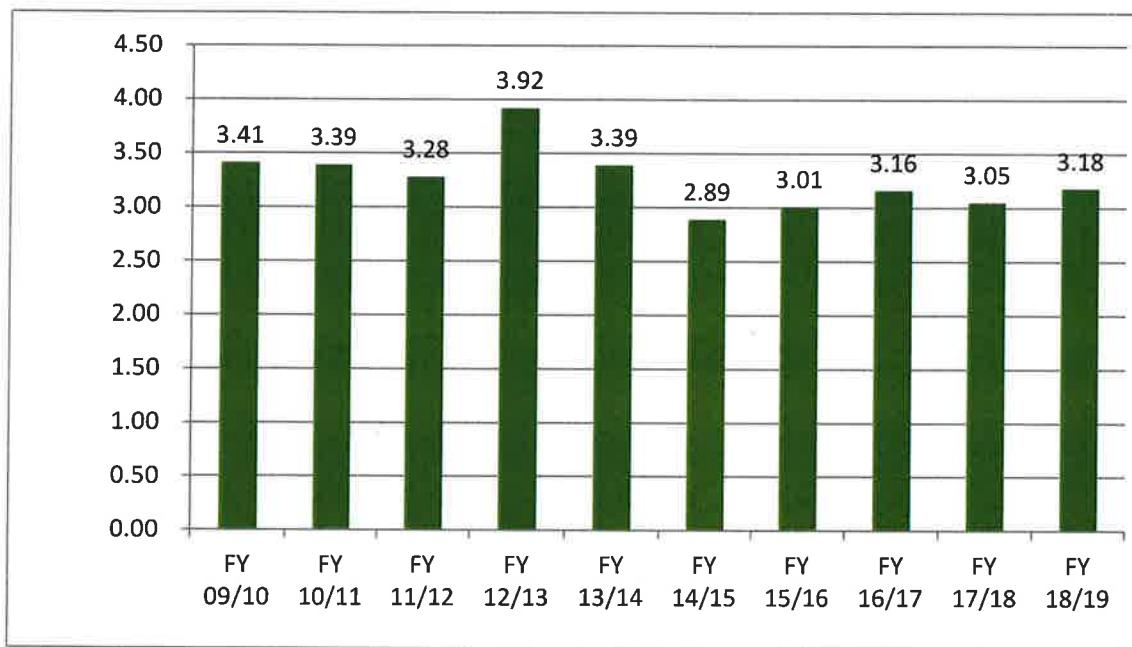

Calculation: Operating Revenue / CPI / Population

CPI for FY 2019 is an average through June 2019. Operating Revenue does not include transfers in from other funds, restricted reserves, or grant revenue. Operating Revenues are amounts budgeted for each fiscal year.

DEMOGRAPHIC & ECONOMIC INFORMATION

Per capita expenditures reflect changes in expenditures relative to changes in population. Increasing per capita expenditures may indicate that the cost of providing services is outstripping the City's ability to pay, especially if spending is increasing faster than the City's property, sales, or other relevant tax base. If the increase in spending is greater than what would be expected from continued inflation and cannot be explained by the addition of new services, it can be an indicator of declining productivity. The City's expenditures per capita (does not include utility operations) trended downward from 2010-2012. The expenditures per capita increased to 3.92 from 3.28 in FY 2012/2013. The expenditures per capita increased from 3.05 to 3.18 in FY 2018/2019.

EXPENDITURES PER CAPITA

SECTION TWO

FUND SUMMARIES

BUDGET BY FUND

This section provides an overview of the City budget at the fund level. It includes budget amounts for FY 18/19. Also, there is a brief description on the basis of budgeting and accounting used by the City of Green Cove Springs. The schedules that follow provide, by fund, a three-year comparison of revenues and appropriations according to classifications set by the State of Florida. Each schedule presents actual budgets for FY 16/17 and FY 17/18, approved budgets for FY 18/19, and approved budgets for FY 19/20.

BASIS OF ACCOUNTING AND BUDGETING

Because the revenue and expenditure estimates contained in the Approved Fiscal Year 2019/2020 Budget are based on GAAP, it is important that the reader have an overview of accounting principles as they relate to the estimates. The following is a brief review of the measurement focus and basis of accounting; the two principles which most directly affect those estimates.

Basis of accounting refers to the timing by which revenues and expenditures are recognized in the accounts and reported on the financial statements.

All Governmental Funds are accounted for using what is called the modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets.

Primary revenues, including taxes, intergovernmental revenues, and charges for services, rents, and interest are treated as susceptible to accrual under the modified accrual basis. Other revenue sources are not considered measurable and available and are not treated as susceptible to accrual. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include (1) principal and interest on general long-term debt, which is recognized when due; (2) accumulated unpaid vacation and sick pay amounts, which are not accrued; and (3) certain inventories of supplies, which are considered expenditures when purchased.

The Proprietary Funds are accounted for using the accrual basis of accounting. Under this method, revenues are recognized when they are earned and expenses are recognized when the related liability is incurred.

FUND ACCOUNTING

All Fund Types:**FY 2020 -- \$ 45,032,403****THE FUND STRUCTURE AND GOVERNMENTAL ACCOUNTING AND BUDGETING**

The City of Green Cove Springs developed the revenue and expenditure estimates contained in the Approved Fiscal Year 2019/2020 Budget in a manner that follows Generally Accepted Accounting Principles (GAAP). The Budget is organized on the basis of funds, each of which is considered a separate budgetary and accounting entity. Government resources are allocated to, and accounted for, in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The purposes of the Council's various funds and account group are as follows:

GOVERNMENTAL FUNDS

General Fund:**FY 2020 -- \$ 10,401,719**

The General Fund is the general operating fund for the Council. It is used to account for all financial resources, except for those required to be accounted for separately. These resources provide funding for programs such as General Government Administration, Capital Improvement Projects, Law Enforcement, Public Works, Parks and Recreation and Development Services, etc. to all the residents of the City of Green Cove Springs.

Special Revenue Funds:**FY 2020 -- \$ 331,941**

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are designated for specified purposes or are restricted in use. Special Revenue Funds include the Building Fund, Donation Fund and Special Law Enforcement Trust Fund.

Capital Project Funds – Police EOC & Spring Park: **FY 2020 -- \$ 241,390**

Capital Project Funds are used to account for financial resources to be used for the acquisition, construction, or improvement of major capital facilities and associated debt service.

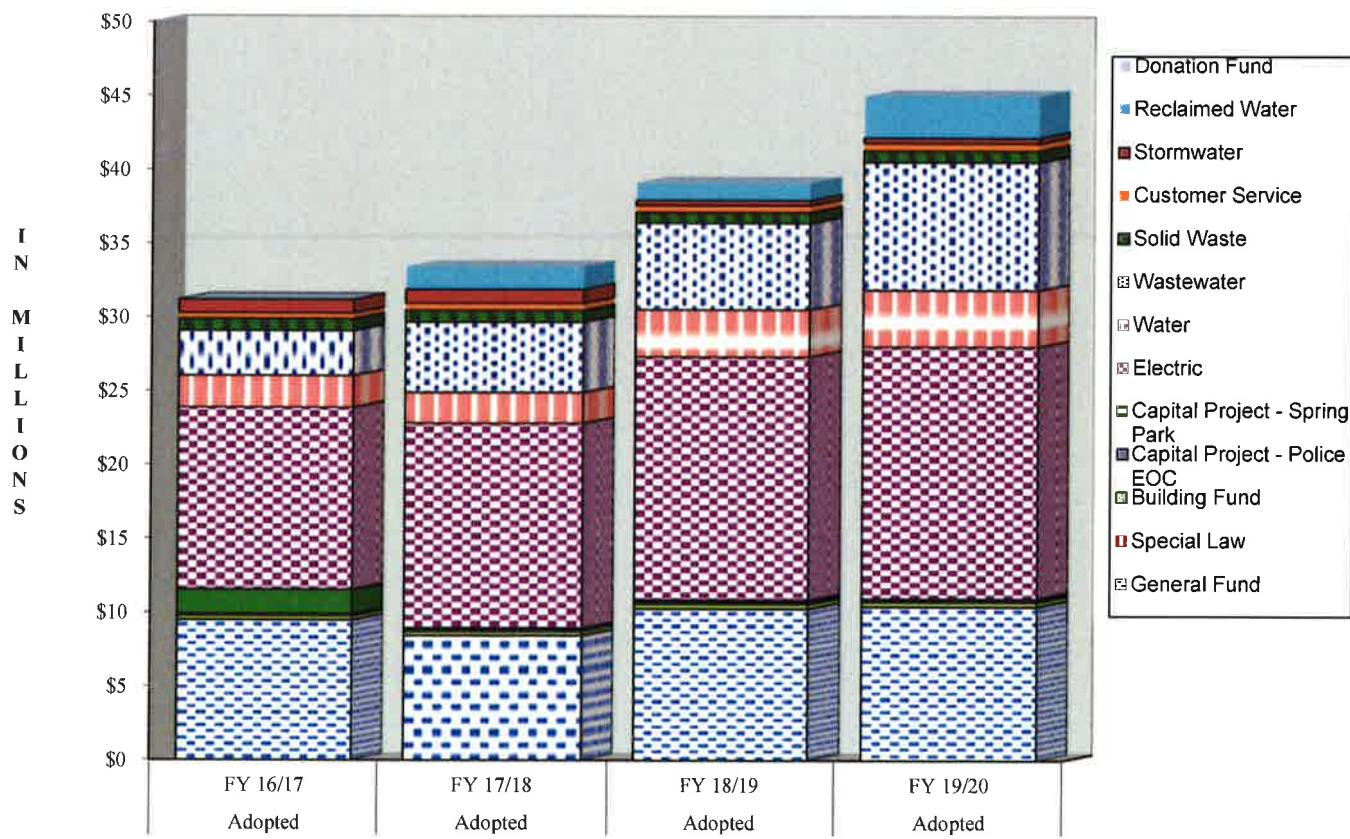

PROPRIETARY FUNDS

Enterprise Funds:**FY 2020 -- \$ 34,057,353**

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises in which the intent of the governing body is that all costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

SECTION THREE

DEPARTMENT SUMMARIES

DEPARTMENT SUMMARIES

The Department Summaries in this section include mission statements and summary budgets for each individual Department and various other organizations funded by the City of Green Cove Springs City Council.

**CITY COUNCIL
(001-1111)**

CITY COUNCIL**(001-1111)**

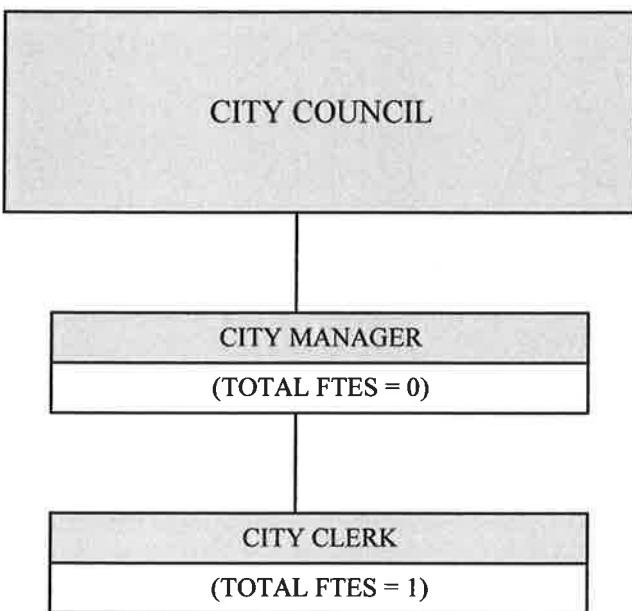

Mission of Department:

All powers of the City shall be vested in the City Council except as otherwise provided by law or by the Charter. As the City's governing body, the City Council exercises legislative authority through the enactment of Ordinances and Resolutions. The City Council is responsible for the formulation of public policy, and sets guidelines for and adopts the annual operating and capital improvement budgets.

EXPENDITURES	Actual FY 16/17	Actual FY 17/18	Approved FY 18/19	Approved FY 19/20

Grand Total	\$ 70,969	\$ 106,066	\$ 137,008	\$ 75,819

**CITY CLERK
(001-1211)**

CITY CLERK**(001-1211)**

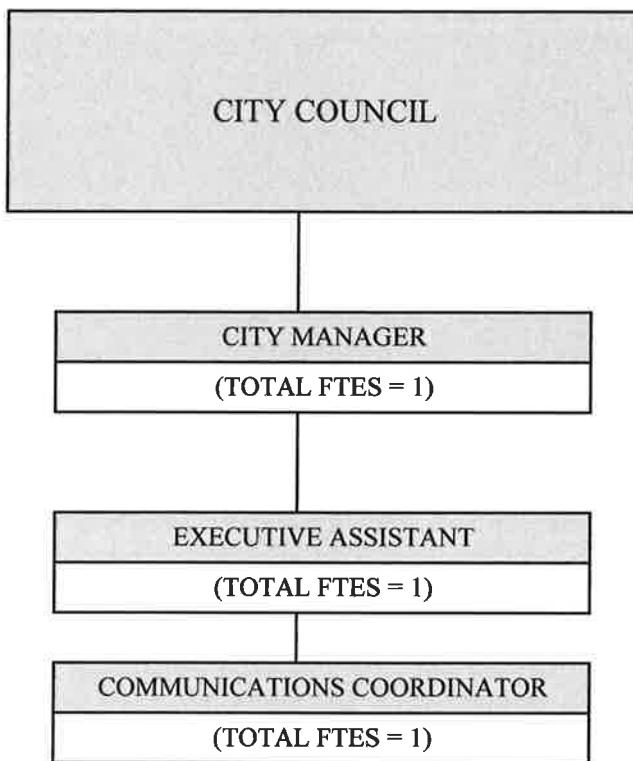

Mission of Department:

The City Clerk collects, manages and disseminates information produced and used by the City; maintains and archives the official records of City business; prepares and manages the agenda and minutes for City Council meetings; and efficiently meets all statutory obligations with respect to public records retention and legislative actions of the City of Green Cove Springs.

**CITY MANAGER
(001-1212)**

CITY MANAGER (001-1212)

Mission of Department:

The City Manager is appointed by the City Council and serves at the pleasure of the Council. As the Chief Administrative Officer for the City of Green Cove Springs, the City Manager is responsible for the administration of all City affairs, personnel, and departments, as well as the execution of the City Council's 2025 Vision Plan and its Goals. The City Manager's Office oversees all general government programs and services, as well as enterprise operations for six municipal utilities (electric, water, sewer, reclaimed water, stormwater, and solid waste). The City Manager ensures that City laws, ordinances, resolutions, and policies are followed; attends all Council meetings; prepares the Annual City Budget and Capital Improvement Plan; and performs other duties as assigned by the City Council.

The future plan for Green Cove Springs is best conveyed by its Mission Statement which states simply that ***"Tomorrow's Vision" will create a plan that will define our unique identity, assure quality of life, and make Green Cove Springs a premier 21st century city that reflects our traditional values, natural features, and historic characteristics."***

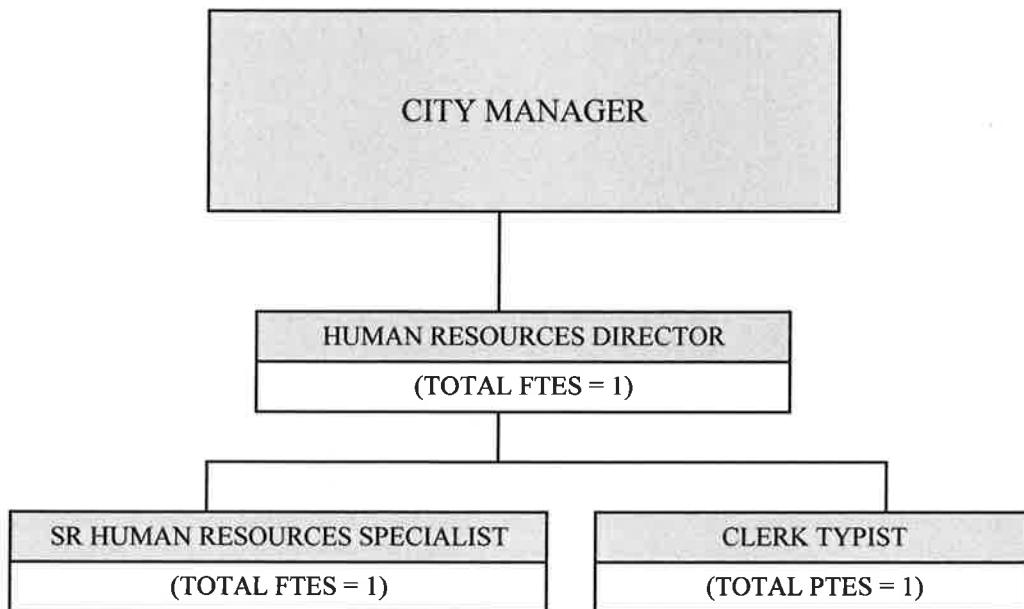

The Mission of the City Manager's Office is to:

- Execute City Council policy to achieve goals and objectives.
- Serve the public in a professional and responsive manner with the highest standard of ethics and superior customer service.
- Represent the City in relations with the public, the media and other governmental entities.
- Demonstrate leadership to promote teamwork amongst all employees.
- Foster a positive business climate conducive to attracting and retaining development and redevelopment throughout the City including public/private partnerships to leverage resources.
- Present a balanced Annual Budget and Capital Improvement Plan (CIP) using realistic revenue and sustainable expense estimates to ensure fiscal stability.

**CITY ATTORNEY
(001-1414)**

CITY ATTORNEY
(001-1414)

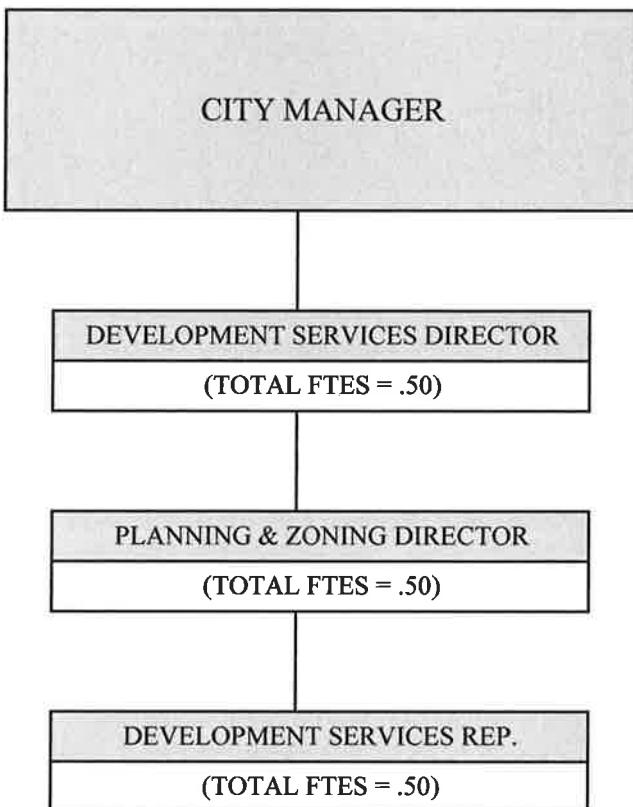

Mission of Department:

The City Attorney provides sound legal and related legal services to the City Council, City Manager and all other boards, commissions, departments and employees of the City; ensures that the City follows its Charter, the City Code, and Laws of the State of Florida. The office prosecutes and defends suits for and on behalf of the City and prepares or reviews all bonds, contracts and other legal instruments of concern to the City and assists in retaining outside legal assistance as needed. The City Attorney also routinely responds to citizen inquires and appears at many civil, charitable and governmental functions representing the City.

CUSTOMER SERVICE
(405-3038)

CUSTOMER SERVICE
(405-3038)

Mission of Department:

The Customer Service Department is responsible for the reading of electric and water meters and the billing of electric, water, wastewater, stormwater, and solid waste services. Meters are read and billed in three (3) cycles with the bill printing performed by an outside vendor. The Warehouse is also a part of Customer Service maintaining materials and supplies in the warehouse to a level that meets the needs of the City. Warehouse Staff also purchases fuel, maintains fuel levels, and performs routine maintenance of fuel pumps and tanks.

DEBT SERVICE

DEBT SERVICE OVERVIEW

Municipalities in Florida are authorized by State Statutes (Sec. 166.111, F.S.) to borrow money, contract loans, and issue bonds (the term “bonds” is defined to include bonds, indentures, notes, certificates of indebtedness, mortgage certificates, or other obligations or evidences of indebtedness of any type or character) from time to time to finance the undertaking of any capital or other project for the purposes permitted by the State Constitution and may pledge the funds, credit, property, and taxing power of the municipality for the payment of such bonds.

The City of Green Cove Springs has always been conservative toward debt. At the end of Fiscal Year 2019, the City had a total outstanding long-term debt (excluding St. Lucie and All Requirements debt to FMPA) of \$9,169,223.

Listed below is a summary of the City’s Long-Term Debt at September 30, 2019.

Description	Interest Rate	Principal Balance	Final Maturity Date
Electric:			
Capital Projects	3.37%	\$ 4,700,000	07/01/33
St. Lucie Project (Note 1)		\$ 5,522,339	
All Requirements (Note 2)		\$ 7,850,202	
(2) Electric Trucks	3.45%	\$ 146,906	02/01/22
Water:			
Capital Projects	2.63%	\$ 1,500,000	04/01/29
Wastewater:			
Capital Projects-Pre-Const.	2.29%	\$ 40,010	09/15/36
Capital Projects-Design	.66%	\$ 747,946	11/15/38
Solid Waste:			
Garbage Trucks – 2	2.33%	\$ 41,804	07/01/20
Recycling Truck – 1	4.504%	\$ 87,557	01/24/22
Construction Fund:			
Police Facility / EOC	1.63%	\$ 1,054,000	07/01/26
Spring Park	2.25%	\$ 851,000	07/01/31

Note 1: The annual debt service is paid out of the total cost each month. These costs include purchased power as well as debt service. The annual payment for 2020 is estimated at \$981,688.

Note 2: The annual debt service on the All Requirements is made through the formula for computing purchase power annually and not budgeted as a separate line item. The principal balance is estimated as of this date.

SECTION SIX

GLOSSARY OF KEY TERMS

GLOSSARY OF KEY TERMS

AD VALOREM TAX is a tax levied in proportion (usually expressed in mills) to the assessed value of the property on which it is levied. This tax is also called PROPERTY TAX.

ADOPTED BUDGET is the financial plan for the fiscal year beginning October 1. Florida Statutes require the City Council to approve this budget at the second of two (2) public hearings.

AMENDED OR REVISED BUDGET is the current year adopted budget adjusted to reflect all budget amendments approved by the City Council through the date indicated.

APPROPRIATION is the legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and as to the time when it may be expended.

ASSESSED VALUE is a value set upon real estate or other personal property by a government as a basis for levying taxes. The assessed value in the City of Green Cove Springs is set by the Property Appraiser.

BALANCED BUDGET is a budget in which revenues and expenditures are equal.

BUDGET is a plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single year. It is usually necessary to specify whether the budget under consideration is preliminary, tentative or whether it has been approved by the appropriating body.

BUDGET MESSAGE is a general discussion of the proposed budget as presented in writing by the City Manager to the legislative body.

CAPITAL IMPROVEMENT PROGRAM (CIP) is the financial plan of approved capital projects, their timing and cost over a five year period. The CIP is designed to meet City infrastructure needs in a responsive and efficient manner. It includes projects which are, or will become the property of the City of Green Cove Springs, as well as projects that although not owned by the City, will be part of a joint project agreement.

CAPITAL OUTLAY or CAPITAL EQUIPMENT is an item such as office furniture, fleet equipment, data processing equipment or other equipment with a unit cost of \$1,000 or more.

CAPITAL PROJECT is any improvement or acquisition of major facilities with a useful life of at least five (5) years such as roads, bridges, buildings, or land.

CHARGES FOR SERVICES are revenues stemming from charges for current services. They include all revenue related to services performed whether received from private individuals or other governmental units.

CONTINGENCY is an appropriation of funds set aside to cover unforeseen events that occur during the fiscal year, such as new State mandates, shortfalls in revenue and unanticipated expenditures.

DEBT SERVICE is the dollars required to repay funds borrowed by means of an issuance of bonds or a bank loan. The components of the debt services payment typically include an amount to retire a portion of the principal amount borrowed as well as interest on the remaining outstanding unpaid principal balance.

DEFICIT is the excess of expenditures or expenses over resources.

DEPARTMENT is, for budgeting purposes, any distinct government organizational entity receiving direct funding approved by the City Council in order to provide a major governmental function.

ENDING FUND BALANCE is funds carried over at the end of the fiscal year. Within a fund, the revenue on hand at the beginning of the fiscal year, plus revenues received during the year, less expenses equals ending fund balance.

ENTERPRISE FUND is a fund used to account for operations that are financed and operated in a manner similar to private business enterprises, wherein the stated intent is that costs (including depreciation) of providing goods and services be financed from revenues recovered primarily through user fees.

GLOSSARY OF KEY TERMS

FISCAL YEAR is a 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. The fiscal year for the City of Green Cove Springs is October 1 through September 30.

FIXED ASSETS are long-term assets which are intended to continue to be held or used, such as land, buildings, improvements other than buildings, machinery, and equipment.

FTE is the acronym for Full-Time Equivalent. See the definition for **FULL-TIME EQUIVALENT**.

FULL-TIME EQUIVALENT is one (1) position funded for a full year. For example, a permanent employee funded and paid for 40 hours/week and 52 weeks/year or two (2) employees funded and paid for 20 hours/week and 52 weeks/year would be equal to one (1) Full-Time Equivalent.

FUNCTIONAL CLASSIFICATION is the expenditure classification according to the principal purposes for which expenditures are made. Examples are general government, public safety, and transportation.

FUND is an accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE represents the excess of fund current assets over its current liabilities. For accounting purposes, Fund Balance is calculated as of year-end and is based on the difference between actual revenues and expenditures for the fiscal year.

GENERAL FUND is a fund that accounts for all financial transactions except those required to be accounted for separately. The fund resources, ad valorem taxes, and other revenues provide services or benefits to all residents of the City of Green Cove Springs.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP) comprises the uniform minimum standards of, and guidelines for external financial reporting that govern the form and content of the basic financial statements. They include not only broad guidelines of general application, but also detailed practices and procedures.

GOVERNMENTAL ACCOUNTING AND FINANCIAL REPORTING (GAFR) is a specific method of reporting "government-type activities" usually not found in private enterprises. GAFR standards are set by the Governmental Accounting Standards Board (GASB).

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB) is an independent private organization responsible for establishing financial accounting standards, otherwise known as GAAP, for State and Local government entities.

GOVERNMENT FINANCE OFFICERS' ASSOCIATION (GFOA) is a national organization consisting of members from state and local governments throughout the United States. Its purpose is to promote improved accountability for State and Local governments by providing practical guidance through seminars and publications.

GRANTS AND AIDS includes all grants, subsidies, and contributions from other government agencies or private organizations.

INFRASTRUCTURE is a permanent installation such as a building, road, or wastewater collection system that provides public services.

INTERFUND TRANSFER is the movement of funds from one accounting entity to another within a single government.

INTER-GOVERNMENTAL REVENUES are revenues from other governments in the form of grants, entitlements, shared revenues or payments in lieu of taxes.

LEVY is the action of imposing taxes, special assessments, or service charges for the support of City activities.

GLOSSARY OF KEY TERMS

MAJOR ACCOUNT CODE is a broad designation for more specific line item accounts. The City of Green Cove Springs adopts its budget within six (6) major account codes: Personal Services, Operating Expenses, Grants and Aids, Debt Service, Non-Operating and Capital Outlay.

MIL is a monetary measure equating to 0.001 of a dollar. When referring to the AD VALOREM TAX it means that a 1-mil tax is one dollar (\$1.00) of tax on \$1,000 of taxable value.

MILLAGE RATE is the rate per \$1,000 of taxable property value which, when multiplied by the taxable value, yields the tax billing for a given parcel.

MISSION STATEMENT is a broad statement of purposes that is derived from organization and/or community values and goals.

NON-OPERATING EXPENDITURES are costs of government services that are not directly attributable to a specific City program or operation. Examples include debt service obligations and contributions to community service organizations.

NON-OPERATING REVENUES comprise income received by a government not directly attributable to providing a service. An example would include debt proceeds received from a bond issue.

OPERATING BUDGET is the budget including appropriations for recurring and certain one-time expenditures that will be consumed in a fixed period of time to provide for day-to-day operations (e.g. salaries and related benefits, operating supplies, professional services and operating equipment).

OPERATING TRANSFERS are legally authorized transfer of money from one fund to another fund from which the resources are to be expended.

PROPERTY TAX is another term for Ad Valorem Tax. See definition for AD VALOREM TAX.

PROPRIETARY FUND is a fund category which often emulates the private sector and focuses on the measurement of net income. Expenditures are funded by user charges and fees.

PUBLIC SAFETY is a major category of services related to the security of persons and property.

RESERVES AND REFUNDS refers to budget category for funds required to meet both anticipated and unanticipated needs; the balance of anticipated earmarked revenues not required for operation in the budget year; estimated reimbursements to organizations, State or Federal governments for revenues received and not spent, and those required to be set aside by bond covenants.

RETAINED EARNINGS APPROPRIATION refers to funds set aside within an Enterprise Fund for future appropriation by the City Manager and/or City Council approval.

REVENUE is funds that governments receive as income, including such items as tax payments, fees for specific services, receipts from other governments, fines and forfeitures, grants, shared revenues and interest income.

REVENUE BONDS are bonds usually sold for constructing or purchasing capital projects. Reliable revenue other than ad valorem taxes is pledged as the source for funding to pay bond principal and interest.

SPECIAL REVENUE FUNDS are funds used to account for proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes.

STATUTE is a written law enacted by a duly organized and constituted legislative body. Citations are often followed by "F.S." to indicate Florida Statute.

SURPLUS is an excess of resources over expenditures or expenses.

TAXES are compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include charges for services rendered only to those paying such charges as, for example, sewer service charges.

TAX RATE is the amount of tax stated in terms of a unit of the tax base. For example, 4.000 mils yields four dollars (\$4.00) per \$1,000 of taxable value.

GLOSSARY OF KEY TERMS

TAXABLE VALUATION is the value used for computing ad valorem taxes levied against property. Taxable value is the assessed value less any exemptions allowed by law. The most common exemption is the Homestead Exemption (up to \$50,000) allowed when the owner uses the property as a principal residence. Exemptions are also granted for disability, government owned, and non-profit owned property.

TRIM is an acronym for “Truth In Millage” Law. See the definition for TRUTH IN MILLAGE LAW.

TRUST AND AGENCY FUNDS are funds used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds.

TRUTH IN MILLAGE LAW (TRIM) is a Florida Law enacted in 1980 which changed the budget process for local taxing governments. It was designed to keep the public informed about the taxing intentions of various taxing authorities.

USER (FEES) CHARGES are payments of a fee for receipt of a public service by those individuals benefiting from the service.

SECTION SEVEN

FISCAL POLICIES

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

The City Manager has the responsibility for all financial planning for the City of Green Cove Springs including operating, capital and debt services budgets, debt management, annual audit, TRIM compliance, and the allocation of resources to facilitate accomplishing Council goals to which these duties have been delegated to the Finance Department. To execute these responsibilities and to maintain sound financial management practices, it is important to have fiscal policies and related procedures that complement the statutory requirements and professional standards, which establish local governments' financial framework.

POLICIES AND GUIDELINES

I. DEBT MANAGEMENT POLICIES

Debt management policies are intended to provide a Comprehensive and viable debt management policy which recognizes the capital improvement needs of the City. Before issuing any new debt, the City will consider the following factors:

- Global, national and local financial environment
- Current interest rates
- Expected interest rate changes
- Robustness of local and broad economy
- Cash position
- Current debt position
- Availability of funds to repay
- Flexibility to cover future needs
- Urgency of current capital needs

II. LIMITATIONS ON INDEBTEDNESS

The City will maintain a conservative debt position based on the criteria listed above. Pay-as-you-go and replacement programs will be utilized whenever feasible to avoid financing costs. Debt will be issued only if the benefits outweigh the costs of the debt.

III. PURPOSE OF THE DEBT MANAGEMENT POLICY

The purpose of this policy is to establish guidance for the issuance and management of the debt of the City of Green Cove Springs, Florida (hereinafter referred to as the "City"). Debt includes short-term and long- term obligations issued by the City and any associated financial entities. The policy includes, but is not limited to, traditional financial vehicles such as General Obligation Bonds, Revenue Bonds, Special Tax Bonds and short-term notes. This policy is designed to:

- Set forth a liability management structure to facilitate the sound and efficient management of City debt, addressing both practical aspects of liability management and philosophical aspects.
- Provide guidelines that control the overall debt management process so that all liabilities are managed in accordance with stated objectives.
- Encourage and require communication between staff and the City Council and the City's advisors (legal and financial).
- Develop formalized criteria for evaluating and establishing the basis for comparing actual performance results achieved by debt management.
- Perform analysis to determine the best financing sources and methods to ensure the best interest rates and payback methods/periods are obtained for the City.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

IV. SCOPE AND AUTHORITY

The City's Finance Director on behalf of the City Manager shall be responsible for the implementation of the policies set forth in this Debt Management Policy (the "Policy").

The Policy should be reviewed and revised every three (3) years, or sooner due to the evolution of the financial markets.

V. PERMISSIBLE DEBT

Debt is an integral part of the City's ongoing financial management program. Both short-term and long-term debt help the City accomplish its core goals. While the City rarely uses short-term debt it can be a tool to facilitate the match of revenues and expenses.

A. Short-Term Debt and Interim Debt

The City may issue obligations with a maturity of not more than one year ("Notes") to fund anticipated short-term cash flow needs due to the timing of the receipts of the annual current year ad valorem tax collections from the County Tax Collector and other revenues. The principal of the Notes and the interest thereon will be payable from and secured by a pledge of such ad valorem taxes and other revenues as may be appropriate. Short-term debt may also be issued to finance projects or portions of projects for which the City ultimately intends to issue long-term debt. Short-term and/or interim financing shall not exceed 10% of outstanding long-term debt, unless there is a situation that needs immediate attention in order to address an emergency or to allow for significant cost savings. Under certain other circumstances, short-term obligations may be warranted upon the recommendation of the City Manager.

Interim financing may be appropriate when long-term interest rates are expected to decline in the future. In addition, some forms of short-term obligations can be obtained quicker than long-term obligations and thus can be used in urgent situations until long-term financing can be obtained. Short-term obligations include:

1. Line of Credit-The City may establish a tax-exempt line of credit with a financial institution or other provider. Draws shall be made on the line of credit when the need for financing is so urgent that time does not permit the issuance of long-term debt or the need for financing is so small that the total cost of issuance of long-term debt would be prohibitive.
2. Pooled Financing-If it is financially or strategically beneficial, the City may participate in debt pools with other entities and low-interest loans from state agencies or organizations on either a long-term or short-term basis.
3. Interfund Borrowing-Interfund borrowing, a short-term cash lending from one fund to another fund, shall be discouraged. However, the use of this type of interim financing may be considered if it is in the City's best interests to do so as determined by the City Manager.
4. Bridge Financing-Should the City desire to issue bonds for large capital projects, the City can, upon passage of an intent-to-issue resolution, use non-restricted reserve funds as bridge financing to pay a portion of project costs that will then be paid back with bond proceeds. This type of financing will be reviewed by Bond Counsel to ensure the City is in compliance with applicable federal tax rules.
5. Other types-The City may consider the use of Tax Anticipation Notes, Bond Anticipation Notes, Revenue Anticipation Notes, or other such structured borrowings if it is in the best financial interests of the City to do so.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

Unless the City's desire is to issue taxable obligations, the City will comply with Internal Revenue Code (the "Code") requirements prior to and subsequent to the issuance of the Notes in order that the interest on the Notes not be included in gross income for federal income tax purposes and that the proceeds are spent in a manner consistent with exceptions to the Code.

B. Long-Term Debt

The City will not issue long-term debt obligations or use long term debt proceeds to finance current operations (except when using excess proceeds to make debt service/lease payments as provided for in the financing documents). For purposes of this Policy, long-term debt includes bonds, leases and other similar obligations.

The City may utilize long-term debt for the acquisition, construction or renovation of facilities or the acquisition of equipment that cannot be funded from current revenue sources or in such cases where it is more equitable to finance the facility or equipment over its useful life. The City may also issue long-term debt to refund all or a portion of its outstanding debt subject to limitations detailed in this Policy.

When debt is used to finance capital improvements, the financing term will be for a period not to exceed the useful life of the facilities or equipment, but never greater than forty (40) years unless there are compelling factors which make it necessary to extend the period beyond this point.

VI. MEASURES OF DEBT LEVELS AND DEBT ISSUANCE LIMITS

A. Short-Term Debt

The City will not exceed the maximum allowable issuance size, if any, as determined by regulations governing the federal taxability of interest earned by holders of such debt.

B. Long-Term Debt

1. For General Obligation Bonds

The measure shall be the outstanding debt-to-taxable property ratio and shall not exceed (5%).

2. For Revenue Bonds-Enterprise or Proprietary Fund

Each enterprise or proprietary revenue is unique and debt levels will be driven by rating and bond insurer requirements for debt service coverage, reserve requirements and rate covenants.

Additionally, the City will comply with the various Florida statutory requirements, and take into account other factors suggested or required by the credit rating agencies and/or bond insurers when preparing its capital budget and each specific plan of finance.

3. Master Lease Agreements

The City may enter into a lease agreement with a provider or bank to lease equipment. The terms of the lease should coincide with the life of the equipment to be leased and a tax-exempt rate shall be sought. The City will strive to obtain the lowest rate possible using competitive bidding or current market analysis.

4. Pooled Financing

If it is financially or strategically beneficial, the City may participate in debt pools with other entities and low-interest loans from state agencies or other organizations on either a long-term or short-term basis.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

VII. SELECTING DEBT SALE METHODS

There are three (3) ways the City may sell bonds: competitive (public) sale, negotiated sale and private placement. The City, as a matter of policy, shall seek to issue its debt obligations in a negotiated sale unless it is determined by the City Manager that such a sale method would not produce the best results for the City.

City and its Financial Advisor will determine whether the sale of long-term debt shall be sold via competitive sale or negotiated sale after considering such factors as the size, complexity of the offering, market conditions and timing of the transaction.

- A. Negotiated Sale-** Bonds may be sold through an exclusive arrangement between the City and an underwriter or underwriting syndicate. At the end of successful negotiations, the issue is awarded to the underwriters. This method offers flexibility for the City. In a negotiated sale, the underwriter shall be selected through the Request for Proposal (RFP) process. The criteria used to select an underwriter in a negotiated sale should include, but not be limited to the following: overall experience, marketing philosophy, capability, previous experience, underwriter's discount, and expenses.
- B. Competitive Sale-** When determined appropriate by the Finance Director, the City may sell its debt obligations in which any interested underwriter is invited to submit a proposal to purchase an issue of bonds. The bonds are awarded to the underwriter presenting the best bid according to stipulated criteria set forth in the notice of sale. The criteria used to select an underwriter in a competitive sale shall be the true interest costs.
- C. Private Placement-** When determined appropriate by the Finance Director, the City may elect to sell its debt obligations through a private placement or limited public offering. Selection of a placement agent shall be selected through the Request for Proposal (RFP) process.

VIII. FINANCING STRUCTURE

The financing structure-consisting of principal amortization, call provisions, coupons/yields, credit enhancement- will be developed for each financing after considering relevant market conditions and then current practices. Each structure will be developed to provide the lowest long-term effective financing cost while providing the greatest flexibility to extract additional value as market conditions change over time.

A. Amortization Structure

Principal should be structured to provide level debt service payments for the life of the transaction. "Wrapped debt service" and "bullet maturities" may be appropriated for certain financings, but should only be employed when deemed necessary.

B. Issuing Variable Rate Debt

The City may issue variable rate obligations in amounts and in proportion to its fixed rate debt that the City and its Financial Advisor determine are appropriate to achieve the City's goals.

C. Credit Ratings

The credit review process incorporates both quantitative analysis (fund balance, debt levels, and wealth levels) and qualitative factors (management experience, political climate and policies /procedures). As a result, credit ratings provide an indication of both the short-term and long-term financial health of the City. Higher credit ratings also result in reduced borrowing costs and decreased cost of bond insurance.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

The City will exercise prudence and diligence in preparing its budget and managing its finances to maintain credit ratings consistent with Florida local governments of similar size and demographic makeup.

D. Credit Enhancements

Credit enhancements (insurance, letters of credit, etc.) will be used only in those instances where the anticipated present value savings in terms of reduced interest expense exceeds the cost of the credit enhancement.

E. Investing Debt Proceeds

Safety of capital is regarded as the highest priority in handling of investment of debt proceeds. All other investment objectives are secondary to the safety of capital. City staff will develop investment strategies that are consistent with the investment policy and provide the maximum return while complying with the Code. Specifically, City staff and the Financial Advisor will attempt to structure investments that allow the City to meet exceptions to the rebate requirements in the Code.

Debt proceeds are only to be invested in permitted investments, as defined in financing agreements, escrow agreements, resolutions, law and the City's written Investment Policy. Neither the City nor any other person under its control or direction will make any investment of bond proceeds in any manner that would cause the bonds to be deemed private activity bonds or arbitrage bonds by the Internal Revenue Service. The City will comply with all federal tax arbitrage regulations.

IX. DEBT REFUNDING

The City will monitor outstanding debt in relation to existing conditions in the debt market and may refund any outstanding debt when sufficient cost savings can be realized.

X. COMPLIANCE AND REPORTING

A. Disclosure Policy

The City will provide full and fair disclosure in connection with the initial sale and distribution of its publicly marketed debt instruments and to provide ongoing secondary market information, in compliance with the requirements of applicable federal and state securities laws, rules and regulations, including Securities and Exchange Commission Rule 15c2-12.

B. Budget Debt Service Payments

Annually the City Manager will include in the proposed budget presented to the City Council for its consideration and approval the amounts necessary to make the required debt service payments during the fiscal year.

C. Compliance with Financing Covenants, Federal and State Law

The City shall comply with all covenants and requirements of financing resolutions, and State and Federal laws authorizing and governing the issuance and administration of debt obligations.

D. Bond Yield Arbitrage Monitoring

It is the City's policy to minimize the cost of arbitrage rebate and yield restriction while strictly complying with the applicable laws.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

Because of the complexity of arbitrage rebate regulations and the severity of non-compliance penalties, arbitrage calculations will be performed by qualified arbitrage professionals in strict adherence to applicable laws and regulations. These calculations will be done in accordance with required Internal Revenue Service reporting dates, which are five (5) years after the delivery date of each issue, and each fifth year thereafter until the bonds have been matured, redeemed early or retired.

Arbitrage rebate costs shall be charged as negative interest revenue to the funds in which the related obligation proceeds were originally deposited.

XI. ASSEMBLING A FINANCING TEAM

A Financing Team will be assembled to provide professional services that are required to develop and implement the City's debt program with the goal of continuity, quality service and competitive prices.

Bond Counsel-The City Attorney, with input from the Finance Director, shall select Bond Counsel. The Bond Counsel's role is to prepare or review and advise the issuer regarding authorizing resolutions or ordinances, trust indentures, official statements, validation proceedings and litigation.

Underwriters-The City may solicit proposals for underwriting services for all debt issued in a negotiated or private placement sale. The solicitation process used for these services shall comply fully with City Purchasing Procedures.

Financial Advisor- The City may solicit proposals for financial advisory services for all debt issued in a negotiated, competitive or private placement sale. The solicitation process used for these services shall comply fully with City Purchasing Procedures.

City Staff-The City Manager shall appoint the Finance Director and any other City staff members deemed appropriate to coordinate the efforts of the hired consultants and the City. The City Attorney shall supervise all counsel as necessary, as well as provide any other legal services required for issuance of debt.

XII. BUDGET ADOPTION PROCESS AND REQUIREMENTS

An annual budget shall be prepared, approved and adopted for each fiscal year. The budget controls the levy of taxes and expenditure of money for all City purposes. The budget shall be conducted in accordance with Chapters 166, 200 and 218 of the Florida Statutes, as amended.

By July 1, the Property Appraiser must certify the (initial) taxable value of property within each taxing district.

Within 35 days of either July 1, or the date the Property Appraiser certifies the taxable value of property, whichever is later, the City Council must set proposed millage rates. At that time, a date, time and place is set for a public hearing on the proposed budget and millage rates.

Within 65 to 80 days of July 1, or the date the Property Appraiser certifies the taxable value, the City Council must hold a public hearing, after 5:00 p.m., to hear public testimony and to adopt a proposed budget and proposed millage rates. The percentage increase in the proposed millage rate over the roll-back rate and the specific purpose for which ad valorem tax revenues are being increased must be discussed in a public hearing. The City Council may amend the proposed budget as it deems necessary, adopt the amended proposed budget, recompute its proposed millage rate and publicly announce the percent, if any, by which the recomputed proposed millage exceeds the roll-back rate. A date, time and place for a second public hearing is set at this hearing, also to be held after 5:00 p.m. The City may not hold its hearings at the same time as the School Board or County Commission holds their hearings.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

Within fifteen (15) days after the first public hearing, the City must publish two adjacent budget ads in a newspaper of the general circulation in the County. One advertisement notifies the City residents of the City Council's intent to finally adopt millage rates and a budget, identifying any increase in property taxes. The second advertisement summarizes the proposed budget, showing for each budget and for the total of all budgets, the proposed millage rates, balances, reserves, and major revenues and expenditures classifications. Specific size, placement, and working requirements apply as set forth in Chapter 200.065(2) (g) of the Florida Statutes, as amended.

Within two to five days after the advertisements are published, a second public hearing is held to hear public testimony and to adopt a final budget and final millage rates. If, for any reason, the adoption of the final budget is delayed beyond the start of the next fiscal year, the City Council can expend moneys as outlined in Chapter 200.065(2) (g) of the Florida Statutes, as amended. Fax and mail precertification form DR487V, along with resolution to Department of Revenue.

Copies of the completed resolutions adopting the final millage are forwarded to the Property Appraiser and the Tax Collector by the City Manager within approximately 100 days of certification of preliminary taxable value by the Property Appraiser.

Within thirty (30) days following adoption of a resolution establishing a property tax levy, the City Council shall certify to the Florida Department of Revenue compliance with the provisions of Chapter 200 of the Florida Statutes, as amended. This includes a statement of compliance, a copy of the adopted millage resolution, a copy of the budget advertisements, including proof of publication and a copy of the Certification of Taxable Value form. Include Forms 487, DR422 and DR420-MM in the TRIM package to Department of Revenue.

Upon final adoption of the budget, the budget shall regulate the expenditures of the City and the budget shall not be amended, except as provided for in Chapter 166, Florida Statutes, as amended, unless otherwise specified in the City's Charter.

XIII. BUDGETARY REPORTING

The City will establish and maintain a system of budgetary and financial reporting to:

1. Maintain accounting and reporting practices in conformance with the Uniform Accounting System of the State of Florida and Generally Accepted Accounting Principles (GAAP).
2. Maintain budget and financial reporting system records on a basis consistent with the accepted standards for local government accounting according to Governmental Accounting and Financial Reporting (GAFR), the National Council on Governmental Accounting (NCGA), the Governmental Accounting Standards Board (GASB), and in compliance with Florida Statutes, Chapters 129 and 200, as amended.
3. Maintain a system of quarterly reporting to the City Council by the Finance Department on the operating condition of the City, and, where applicable, identify potential trends and, if necessary, recommend options for corrective action.

BUDGET AMENDMENTS

The City will establish and maintain practices for the administration and amendment of the annual budget per Article I, Chapter 5.09 of the City Charter.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

Section 5.09 Amendments after adoption.

- A. *Supplemental Appropriations.* If during the fiscal year, the city manager certifies that there are available for appropriation unanticipated (i.e. grants) revenues in excess of those estimated in the budget, the council by resolution may make supplemental appropriations for the year up to the amount of such excess.
- B. *Emergency Appropriations.* To meet a public emergency affecting life, health, property or the public peace, the council may make emergency appropriations. Such appropriations may be made by emergency ordinance in accordance with the provisions of section 2.14. To the extent that there are no available unappropriated revenues to meet such appropriations, the council may, by such emergency ordinance, authorize the issuance of emergency notes, which may be renewed from time to time, but the emergency notes, and the renewals of any fiscal year shall be paid not later than the last day of the fiscal year.
- C. *Reduction of Appropriations.* If at any time during the fiscal year, it appears probable to the city manager that the revenues available will be insufficient to meet the amount appropriated, a report in writing to the council shall be done without delay, indicating the estimated amount of the deficit, any remedial action taken and a recommendation as to any other steps to be taken. The council shall then take such further action as it deems necessary to prevent or minimize any deficit and for that purpose, it may, by resolution, reduce one (1) or more appropriations.
- D. *Transfer of Appropriations.* The council may, by resolution, provide that at any time during the fiscal year, the city manager may transfer part or all of any unencumbered appropriation balance among programs within a department, office or agency to another.
- E. *Limitations: Effective Date.* No appropriation for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof. The supplemental and emergency appropriations and reduction or transfer of appropriations authorized by this section may be made effective immediately upon adoption.

XIV. AUDITS

An annual audit will be performed by an independent public accounting firm in accordance with Florida Statute and the City Charter, with an audit opinion to be included in the City's Audited Financial Report.

XV FUND BALANCE POLICY

Definitions:

- A. ***Fund Balance***-As defined by the Governmental Accounting, Auditing and Financial Reporting of the Government Finance Officers Association, "The difference between assets and liabilities reported in a governmental Fund." Fund Balance is referred to as net assets in an enterprise fund.
- B. ***Non-Spendable Fund Balance***-The portion of fund balance that cannot be spent because of form or because it must be maintained intact.
- C. ***Restricted Fund Balance***-The portion of fund balance with limitations imposed by creditors, grantors, laws, regulations, or enabling legislation.
- D. ***Committed Fund Balance***-The portion of fund balance that can be used only for the specific purposes determined by a formal action of the City Council, the City's highest decision making authority. Commitments may be changed or lifted only by the City Council taking the same formal action that imposed the original constraint.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

- E. ***Assigned Fund Balance***-The residual fund balance of all governmental funds except the General Fund. In the General Fund, it is the amounts intended to be used for specific purposes, but do not meet the criteria for restricted or committed. Intent is stipulated by the City Council or official to whom that authority has been given by the City Council.
- F. ***Unassigned Fund Balance***-The residual portion of fund balance for the General Fund. Represents available financial resources which have not been obligated to a specific purpose.
- G. ***Unrestricted Fund Balance***-The total *committed fund balance, assigned fund balance, and unassigned fund balance*.
- H. ***Net Assets***-The difference between fund assets and fund liabilities in an enterprise fund.
- I. ***Restricted Net Assets***-Restricted net assets are equivalent to restricted fund balance. The amounts are legally restricted and are not available for appropriation or expense.
- J. ***Net Assets Invested in Capital Assets, Net of Related Debt***: This represents capital and intangible assets less accumulated depreciation/amortization less outstanding debt that are attributable to acquisition, construction or improvements of those assets.
- K. ***Unrestricted Net Assets***-Unrestricted net assets in the enterprise funds are roughly equivalent to unassigned fund balance in governmental funds. It is calculated as total net assets less restricted assets less invested in capital assets, net of related debt.
- L. ***Shortfall***-The amount by which the required unassigned fund balance reserve falls short of the amount required.
- M. ***Expenditures***-Expenditures-are all uses of financial resources, budgeted for any purpose, and include operating and capital expenses, debt service, and transfers to other funds.
- N. ***Operating Expenses***-Operating expenses are uses of financial resources for personnel, supplies, services and materials, and exclude capital expenditures, debt service, and transfers to other funds.

Unassigned fund balance represents available financial resources which have not been obligated to a specific purpose and are established to provide for the following:

- Funding for authorized mid-year increases that will provide for a level of service that was not anticipated during the budget process.
- Funding for unexpected increases in the cost of providing existing levels of service.
- Temporary and nonrecurring funding for unanticipated projects.
- Funding of a local match for public or private grants.
- Funding to off-set losses in revenue caused by actions of other governmental bodies and/or unanticipated economic downturns.
- Funding to accommodate unanticipated program mandates from other governmental bodies.
- Funding for emergencies, whether economic, natural disaster or act of war.

1. Use of these reserves requests must be approved by the City Council. Such requests will be evaluated to insure consistency with other City policy; the urgency of the request; the scope of services to be provided; the short and long-term fiscal impact of the request; a review of alternative methods of funding or providing the services; a review for duplication of services with other agencies; a review of efforts to secure non-City funding; a discussion of why funding was not sought during the normal budget cycle; and a review of the impact of not funding or delaying funding to the next fiscal year.
2. A reserve for contingency will be calculated and established by the Finance Department for each operating fund in an amount not greater than 10% of the total operating budget and in accordance with Florida Statutes 129.01(2) (c).

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

3. The Surtax restricted reserve account should always maintain a minimum of \$400,000 cash unless authorized by Council to go below this minimum.

There is hereby created in the general fund and utility fund (Electric, Water, Wastewater, Solid Waste, and Customer Service) an unassigned fund balance reserve equal to the following:

- A. General Fund-In the general fund, there shall be created a reservation of fund balance equal to 30 days of the current fiscal year operating budget for the fund, excluding capital outlay, transfers out, and/or debt service. For the purposes of this calculation, the current fiscal year budget shall be the budget as originally adopted by Resolution in September. This reserve shall be in addition to all other reserves set aside for specific expenditures or for debt service.
- B. Utility Fund (electric, water, wastewater, solid waste, and customer service)-In each of the utility funds now or hereafter created by the Council, there shall be a reservation of fund balance of at least 90 days of the current fiscal year budget for that fund, excluding capital outlay, transfers out, and/or debt service. For purposes of this calculation, the current fiscal year budget shall be the budget as originally adopted by Resolution in September. This reserve shall be in addition to all other reserves set aside for specific expenditures or for debt service.
- C. Shortfall-If it is determined there is a shortfall (an amount below the lower limit of the fund balance range for any fund), the fund shall be brought up to the minimum limits by adding a designated amount to the budget to cover the deficiency over a period not to exceed five (5) years. This may be accomplished by reducing expenditures and/or increasing revenues to restore the minimum requirements. This shall be known as a “contribution to fund balance”.
- D. Utilization of surplus reserves-In the event that the unassigned fund balance exceeds the minimum requirements; the excess may be utilized for any lawful purpose approved by City Council. It is recommended that the first priority be given to utilizing the excess within the fund in which it was generated. In order to minimize the long term effect of such use, the excess, shall be appropriated to fund one time expenditures or expenses which do not result in recurring operating costs, or other onetime costs including the establishment of or increase in legitimate reservations or designations of fund balance in other funds. The funds may also be used to establish and maintain a “Catastrophic Fund” to help supplement insurance/FEMA reimbursements for damages that occur due to catastrophic events such as hurricanes, fires, tornadoes, floods, and other major damages.
- E. The City shall reduce the committed amounts first, followed by the assigned amounts, and then the unassigned amounts.

Total fund balance must be classified into one of the five possible categories at the end of the fiscal year. It will be determined what funds should be reported as nonspendable. For all but the General Fund, the remaining amounts must be allocated to restricted, committed or assigned by reviewing the constraints placed on available resources and by applying the order of spending policy. For the General Fund, unassigned fund balance is the residual classification after amounts have been classified as nonspendable, restricted, committed or assigned.

The fund balance classifications are possible classifications; however the City may or may not use all classifications. The City shall determine which of the five component of fund balance should be used in financial reporting for the City.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

The City's budget will be amended at such time as the City Council authorizes the use of reserves. All requests for the use of any reserves shall be accompanied by information prepared by the Finance Department showing the year-to-date activity of the reserve account as well as the current account balance and the net effect on the account balance.

Undesignated fund balance represents available financial resources which have not been obligated to a specific purpose and are established to provide for the following:

- Funding for authorized mid-year increases that will provide for a level of service that was not anticipated during the budget process.
- Funding for unexpected increases in the cost of providing existing levels of service.
- Temporary and nonrecurring funding for unanticipated projects.
- Funding of a local match for public or private grants.
- Funding to off-set losses in revenue caused by actions of other governmental bodies and/or unanticipated economic downturns.
- Funding to accommodate unanticipated program mandates from other governmental bodies.
- Funding for emergencies, whether economic, natural disaster or act of war.

1. Use of these reserves requests must be approved by the City Council. Such requests will be evaluated to insure consistency with other City policy; the urgency of the request; the scope of services to be provided; the short and long-term fiscal impact of the request; a review of alternative methods of funding or providing the services; a review for duplication of services with other agencies; a review of efforts to secure non-City funding; a discussion of why funding was not sought during the normal budget cycle; and a review of the impact of not funding or delaying funding to the next fiscal year.
2. A reserve for contingency will be calculated and established by the Finance Department for each operating fund in an amount not greater than 10% of the total operating budget and in accordance with Florida Statutes 129.01(2) (c).
3. The Surtax restricted reserve account should always maintain a minimum of \$400,000 cash unless authorized by Council to go below this minimum.

There is hereby created in the general fund and utility fund (Electric, Water, Wastewater, Solid Waste, and Customer Service) an undesignated fund balance reserve equal to the following:

- A. General Fund-In the general fund, there shall be created a reservation of fund balance equal to 30 days of the current fiscal year operating budget for the fund, excluding capital outlay, transfers out, and/or debt service. For the purposes of this calculation, the current fiscal year budget shall be the budget as originally adopted by Resolution in September. This reserve shall be in addition to all other reserves set aside for specific expenditures or for debt service.
- B. Utility Fund (electric, water, wastewater, solid waste, and customer service)-In each of the utility funds now or hereafter created by the Council, there shall be a reservation of fund balance of at least 90 days of the current fiscal year budget for that fund, excluding capital outlay, transfers out, and/or debt service. For purposes of this calculation, the current fiscal year budget shall be the budget as originally adopted by Resolution in September. This reserve shall be in addition to all other reserves set aside for specific expenditures or for debt service.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

- C. Shortfall-If it is determined there is a shortfall (an amount below the lower limit of the fund balance range for any fund), the fund shall be brought up to the minimum limits by adding a designated amount to the budget to cover the deficiency over a period not to exceed five (5) years. This may be accomplished by reducing expenditures and/or increasing revenues to restore the minimum requirements. This shall be known as a “contribution to fund balance”.
- D. Utilization of surplus reserves-In the event that the undesignated fund balance exceeds the minimum requirements, the excess may be utilized for any lawful purpose approved by City Council. It is recommended that the first priority be given to utilizing the excess within the fund in which it was generated. In order to minimize the long term effect of such use, the excess, shall be appropriated to fund one time expenditures or expenses which do not result in recurring operating costs, or other one time costs including the establishment of or increase in legitimate reservations or designations of fund balance in other funds. The funds may also be used to establish and maintain a “Catastrophic Fund” to help supplement insurance/FEMA reimbursements for damages that occur due to catastrophic events such as hurricanes, fires, tornadoes, floods, and other major damages.

The City’s budget will be amended at such time as the City Council authorizes the use of reserves. All requests for the use of any reserves shall be accompanied by information prepared by the Finance Department showing the year-to-date activity of the reserve account as well as the current account balance and the net effect on the account balance.

XVI. CAPITAL MANAGEMENT POLICIES

Capital Management Policies are intended to provide parameters and guidance for the management, monitoring, assessment and evaluation of the Capital Improvement Program. The Capital Improvement Program (CIP) shall consist of projects/equipment with a cost estimate of at least \$25,000 and an asset life of at least five (5) years. A CIP project, under this definition, is intended to include those projects that involve a new purchase of capital outlay, infrastructure, any new construction or renovation of City infrastructure, or equipment.

- 1. Annually, a five-year Capital Improvement Program (CIP) will be developed. The CIP will be consistent with and implement the Capital Improvement Element (CIE) of the City’s Comprehensive Plan. The CIE established Level of Service Standards for facilities required by law to address the impacts of development, level of service guidelines for other public facilities, and priorities for capital improvement projects.
- 2. Annual updates of the CIP shall be coordinated through Finance.
- 3. The Capital Improvement Plan will include, in addition to current maintenance expenditures, adequate funding to support repair and replacement of deteriorating infrastructure and to avoid any significant unfunded liability.
- 4. Ensure that debt financings are planned and the details are incorporated in the Capital Improvement Program. Proposed capital projects will be reviewed by a cross-departmental team regarding accurate costing (design, capital, and operating) estimates.
- 5. The City will make all capital improvement expenditures in accordance with the Capital Improvement Program (CIP).
- 6. The first year of the 5-Year Capital Improvement Program will be used as a basis for formal fiscal year appropriations during the annual budget process. Appropriations approved in prior years for which expenditures have not been incurred nor projects completed, will be reevaluated and incorporated into appropriations for the new fiscal year.

CITY OF GREEN COVE SPRINGS FISCAL POLICIES

XVII. INVESTMENT POLICY

The City has adopted a separate Investment Policy in accordance with State Law and was approved by Council in April 2006. The Investment Policy was revised in 2016 which the Council approved in March 2016.

XVIII. INTERFUND TRANSFERS

The City adopted a policy (Resolution R-17-95) on September 5, 1995 regarding interfund transfers because historically the General Fund depended, in part, on transfers from its Utility Fund (or Utilities Funds) to support current service levels. Furthermore, the City was advised that its credit standing may be enhanced by establishing a formula for transferring funds from the Utility Fund to the General Fund. A formula was established upon recommendation from various auditing firms, Florida Municipal Electric Association, Florida Municipal Power Agency, and other highly regarded organizations with which the City was familiar.

The transfer formula to the General Fund was established at ten percent (10%) of the prior fiscal year's combined electric, water, and wastewater revenues as stated in the City's annual audited financial report. Effective with the adoption of Resolution R-18-2014 on September 16, 2014 the change in the transfer formula to the General Fund will take effect on October 1, 2014. The transfer formula to the General Fund is established at thirteen percent (13%) of the prior fiscal year's combined electric, water and wastewater revenues as stated in the City's annual audited financial report. This amount shall be transferred from the Utility Fund to the General Fund. However, in any fiscal year where such amount is not required to support the current service levels in the General Fund, a lesser amount may be transferred.

The City shall also transfer from the Solid Waste Fund to the General Fund using the same formula as used for the Utilities Funds.

XIX. PENSION MANAGEMENT

The City has a Police Pension Board comprised of five members (2 residents, 2 police officers and 1 member elected by the other 4) that make decisions about the activities of the Pension Fund. The Florida Municipal Pension Trust Fund at the Florida League of Cities administers funds in the "Green Cove Springs Police Pension Plan" and reports directly to the Pension Board. The Board has outside legal counsel that advises the Board on legal issues.

XX . ANNUAL REVIEW

Compliance with the provisions of this policy shall be reviewed as part of the annual budget process.

CITY OF GREEN COVE SPRINGS

FISCAL YEAR 2019/2020

BUDGET INSTRUCTION MANUAL

Prepared by: Finance Department
April 2, 2019

TABLE OF CONTENTS

Introduction

Annual Budgeting Process

Section 1:	Instructions	1
Section 2:	Highlights	2
Section 3:	Tentative Budget Calendar	3
Section 4:	Budget Preparation Instructions	6

INTRODUCTION

This budget instruction manual marks the "kick-off "of the FY 2019/2020 budget process. This year's budget process will be impacted by the actions of the Florida Legislature and the country's current economic conditions. It is anticipated that several revenue sources (Discretionary Sales Tax, Half-Cent Sales Tax, Municipal Revenue Sharing, Building Permits, certain Charges for Services, and Property Taxes, etc.) may increase slightly or remain the same for the upcoming year.

Included in this packet are the tools to help you create your budget submittal package. Deadlines will be strictly adhered to. The Finance Department will be available to address any questions or concerns you may have throughout this process.

Respectfully,

Steve Kennedy
City Manager

ANNUAL BUDGETING PROCESS

SECTION 1: INSTRUCTIONS:

Chapters 166 and 200 of the Florida Statutes require that all municipalities prepare an annual budget. The City Charter requires the City Manager to submit the Capital Improvement Plan (CIP) and the Operating Budget on or before the 1st day of August. The Statutes detail actions and many of the other functions of the budget preparation process. This section will offer instruction, guidance and information for the preparation of the Fiscal Year 2020 budget.

Each individual departmental budget can be broken down into several various categories of expenditure. They include:

- **Personal Services** – salaries, fringe benefits (insurance, retirement), overtime, vacation payouts, longevity, vehicle allowances, phone stipends, etc.
- **Operating Expenses** – professional services, travel, office supplies, rentals, communication expenses, etc.
- **Capital Outlay** – furniture, machinery, equipment, and vehicles, capital improvements, etc.

The Finance Department has prepared a packet of budget materials for each department of the City. This packet will include the following materials:

- Tentative Budget Calendar
- Budget Worksheet Forms (this is where you will input your FY 2019/2020 budget figures along with your comments).
- Position Control Report (PCR)
- Capital Improvements Worksheets – Five (5) year schedule

All CIP forms and budget worksheet forms will be distributed electronically to you. It is our hope that this packet will make budgeting a meaningful and efficient process. Any suggestions that you feel will improve this process should be forwarded to the Finance Department.

SECTION 2: HIGHLIGHTS:

The Capital Improvement Worksheets and Operating Budget Worksheets **IN TOTAL** are due back to the Finance Department by Tuesday, **May 14, 2019**. Partial submittals will not be accepted. NO EXCEPTIONS. It is imperative that requests be done in a timely fashion. No extensions will be granted. Plan Accordingly.

Personal Services will be completed by the Finance Department and captured on the PCR, a copy for your department is included in your packet.

The employer costs have not yet been adjusted to reflect the estimated pension rates as predicted by the State of Florida, insurance provider and federal government. These rates will change during the budget process.

Vacant positions are budgeted at the base rate of the salary schedule and the employer costs are calculated upon this compensation.

SECTION 3: TENTATIVE BUDGET CALENDAR:

CITY OF GREEN COVE SPRINGS TENTATIVE BUDGET CALENDAR FY 2019-2020

TBD	Complete & certify DR - 422 on E-Trim to Property Appraiser, Tax Collector, & DOR Must be within 3 days of receipt of form from Property Appraiser. Send form 487V to DOR - include DR420 MM in TRIM package	Finance Director
OCTOBER 2019 (TBD)		
TBD	Certify compliance with SS 200.065 & SS 200.068 to DOR within 30 days of final adoption. Send Form 487, Cover Sheet, DR422 & 487V to DOR - include DR 420-MM in TRIM package.	Finance Director

SECTION 4-BUDGET PREPARATION INSTRUCTIONS:

Personal Services

Reclassification or new positions:

Any request for a new classification or an additional position for FY 2019/2020 may be considered. The wage and benefit study released in 2014 was fully implemented in FY 16. Requests for reclassifications and new positions **will be subject to availability of funding.**

Please review the PCR very carefully and verify the number of positions by classification and benefits. The PCR at this date does not have final health insurance, worker's compensation, and pension costs. Pursuant to Council directive, the PCR excludes any adjustments for either a Cost-of-Living or Merit Increase. These items will be adjusted later in the budget process as directed by Council.

Operating Expenditures

The totals submitted with your completed FY 2019/2020 budget package should not be more than the FY 2018/2019 Budget. Any increase must be separately justified on the "Budget Worksheet Forms". Line items for utilities, debt service, bad debts, cost allocations, etc. will be adjusted by the Finance Department. Departments will be notified when adjustments are made.

Please use the "Budget Worksheet" Forms to list the details and amounts for each individual account number. Write any significant notes under the comments column including requests for increases.

Capital Projects

The beginning total for Capital Outlay items is zero for all departments. Any balance remaining on an unfinished Capital Project will not be automatically carried forward.

Figures from last year's capital projects have been brought forward, however since priorities can change, please modify the approved CIP for FY 19 through FY 23 by reprioritizing the projects currently budgeted in year one to outer years or vice versa. This would involve decreasing funds from budgeted projects and moving those funds to previously unfunded or new projects. New projects that require additional funding from a source other than a previously accepted project will be considered during the budget process.

Please prioritize your year 2019/2020 Capital items on the "Capital Projects Priority" form. If you know the funding source for the project, please list the source in the "Funding Source" column. Finance will work with you to determine the availability of funds for projects.

The City Manager, with input from Departments, will then review your prioritized Capital Project requests by utilizing the following criteria:

- A. Mandate by law or government agency including Comp Plan Concurrency.
- B. Minimizes potential liability to the City for health, safety and welfare issues.
- C. Supports the goals as outlined by the Council.
- D. Addresses potential degradation of service.

The adopted CIP for FY 2019-2023 with a new column for FY 2023/2024 will be provided to you electronically for your information. Please submit these forms back to Finance electronically. Information from these forms will be submitted for discussion and review by the City Manager. At that point, priorities for requests will be assigned for recommendation to the City Council.

Please return the Five Year Capital Project Sheets to the Finance Department no later than **Tuesday, May 14, 2019.**

If you have questions regarding the forms or instructions, please contact the Finance Department at ext. 3309. Your participation is greatly appreciated.

**CITY OF GREEN COVE SPRINGS, FLORIDA
STAFF REPORT
FOR MEETING OF MAY 11, 2018**

SUBJECT: City Council Review of the Community Visioning Plan.

BACKGROUND:

The City held a community visioning workshop on March 3, 2018. Ms. Marilyn Crotty, Director of the Florida Institute of Government at the University of Central Florida, designed and facilitated the session. Approximately 75 people attended the session. Ms. Crotty prepared the attached report on the Visioning Session that was presented to the Council at their April 17th meeting. The report contains the comments generated in response to the questions related to the "Community Treasure and Values" and for the "Vision 2025". The comments related to "Community Treasure and Values" and for the "Vision 2025" were each grouped into 7 areas. The report also included conclusions that were supported by many of the participants.

At the April 17th meeting, the Council decided to hold a workshop to discuss the Visioning Report and to prioritize the areas identified for the "Vision 2025". Those areas in alphabetical order are :

Appearance/Beautification
Development/Redevelopment
Economic Development
Education
Government Services/Operations
Infrastructure
Quality of life

Staff has prepared a summary sheet for the Council to prioritize the areas. The summary sheet also includes the concluding statements by area that were included in the Visioning Report. Staff also attached the comments generated by participants at the March 3rd Visioning Session for each area, documents from previous vision sessions, and the CRA plan prepared by the University of Florida.

The City Council needs to prioritize the "Vision 2025" areas and direct staff to develop implementation measures to achieve the desired vision for the City.

FISCAL IMPACT/FUNDING SOURCE: None

RECOMMENDATION: Prioritize the "Vision 2025" areas and direct staff to develop implementation measures to achieve the desired vision for the City.

MOTION: Prioritize the "Vision 2025" areas and direct staff to develop implementation measures to achieve the desired vision for the City.

Created/Initiated By: Janis Fleet, Principal Planner on 05/07/2018 11:58 AM

Final Approval By: Danielle J. Judd, City Manager on 05/07/2018 02:28: PM

COMMUNITY VISIONING

CITY OF GREEN COVE SPRINGS

MARCH 3, 2018

Facilitated by
Marilyn E. Crotty
Institute of Government
University of Central Florida

INTRODUCTION

The City of Green Cove Springs held a community visioning workshop on March 3, 2018. Ms. Marilyn Crotty, director of the Florida Institute of Government at the University of Central Florida, designed and facilitated the session.

Green Cove Springs residents, businesses, organizations, and other stakeholders were invited to the workshop to share their hopes and dreams for the future of the city. Approximately 75 people attended the session. While the Mayor, members of the City Council, and staff were present at the workshop, their role was to observe and listen to the ideas generated by the participants.

The attendees were assigned to small groups in which they responded to questions posed by the facilitator. This report is a summary of the ideas that were generated with special attention to the emerging consensus on issues that became apparent at the workshop.

This information will be shared with the City Council as they plan for the future of the city.

COMMUNITY TREASURES AND VALUES

The participants were asked to identify the treasures and values of the City of Green Cove Springs...the things that they love about the city and want to see continued, protected or improved. These might be physical places or intangibles like community character. There were ten small discussion groups with about 7 or 8 people in each group. The responses have been grouped into seven categories (environmental, city facilities/infrastructure, qualities/characteristics, community assets, events/activities, government services, values) with the number in front of the item indicating the number of groups (10 groups total) that included this issue on their lists. A complete list of each small group's comments is included in Appendix A of this report.

PART I – Treasures and Values

What are the treasures and values of Green Cove Springs...the things (whether physical places, or intangibles like community character) you love about the city and want to see continued, protected or improved? What would you want to ensure is preserved as Green Cove Springs plans for the future?

Environmental

- (4) Trees
- (1) Weather – 3 seasons
- (1) Nature
- (1) Conservation area

City Facilities/Infrastructure

- (5) Brick streets
- (2) Trails and trail plans
- (2) Senior Center
- (1) Courthouse
- (1) Jail
- (1) County administration building
- (1) DMV
- (1) Fire Station
- (1) Clay transit hub
- (1) Town Center
- (1) Gateway corridor
- (1) Four Parks
 - (1) Vera Francis Park
- (1) Augusta Savage Community Center

Qualities and Characteristics

- (6) Historic feeling
- (5) Small town – quaint, cozy
- (3) Walkability
- (3) Sense of community – relationships
- (2) Home town feel
- (2) Small businesses – no chains
- (1) Potential for growth
- (1) Tourism
- (1) Diversity
- (1) Security in schools
- (1) Single family and older homes
- (1) Close to big stores
- (1) Congruency – feel, look, mood
- (1) Old Florida style of architectural design
- (1) Character
- (1) Greatest generation
- (1) Charm

Community Assets

- (10) River – waterfront
- (9) Spring Park
- (3) Bed and breakfast
- (3) Public access to river
- (3) Museums
- (3) Historical triangle
- (2) Historic buildings
- (2) Clay Theater
- (2) Schools
- (2) Governors Creek
- (1) Clay Port area
- (1) Fairgrounds
- (1) Churches
- (1) Golf course
- (1) Industrial Park
- (1) Airport
- (1) Charitable organizations – VFW, Elks, etc.
- (1) Cemetery
- (1) Antique shops
- (1) Walnut St.
- (1) Railroad
- (1) Like Avondale

Events/Activities

(4) Festivals/Events

Arts & Crafts Festival

Riverfest

CalaVida

Christmas on Walnut

Christmas parade

Soul Food Festival

Clay County Fair

Antique Car Show

(2) Kayaking and boating

(1) Fishing

Government Services and Personnel

(5) Police Department

(1) Waste/sanitation crew

(1) Easy access to city staff – responsive

(1) City electric value

(1) VA representative

(1) Code Enforcement

(1) Supervisor of Elections

(1) City Council

(1) Customer focus

(1) Professional services

(1) Well run

Values

(2) Family oriented

(1) Spirituality

(1) Community service and caring

(1) Protection

(1) Trust

VISION 2025

The second task assigned to the small groups was to discuss the City of Green Cove Springs seven years from now. What will the city be like? What does it look like? What is it like to live here, work here, retire here? What kinds of economic activity take place here? The participants were invited to share their hopes and dreams for the future of the city. The responses have been organized into seven categories (appearance/beautification, quality of life, economic development, development/redevelopment, education, government services/operations, and infrastructure) combining information from all the groups. The number in front of the item indicates the number of groups at the workshop (total of 8) that included this issue on their lists. A separate listing of the responses from each group is found in Appendix B.

Appearance/Beautification

- (2) Remove “trashy” look Hwy 17
- (1) US 17 and Walnut St. beautification
- (1) Maintaining city look when beltway comes in
- (1) Treescape plan – beauty and safety
- (1) Cleaner – streetscape, medians improved
- (1) Remove shuttle fuel tank
- (1) Improve face structure of buildings – Walnut St.
- (1) Reclaim brick roads
- (1) Uniform architecture
- (1) Incentives to add landscaping barriers

Quality of Life

- (3) Family friendly activities
 - Children’s activities
- (3) River life – boating, canoeing, kayaking
 - River Access
 - Canoe and kayak slide – City Park and Governor’s Creek
- (2) Activities to stay alive
 - Increase opportunities for seniors
- (2) Community involved in decisions
 - Community involvement in completing tasks – getting things done
- (1) Keep small town feel
- (1) Improvements in outdoor activities
- (1) Noise restrictions – trucks
- (1) Historic area preserved
- (1) Preserve architecture
- (1) Keep next generation here

Economic Development

- (6) Restaurants – walking distance, open at night
- (4) Grocery store – Trader Joes, Whole Foods, Fresh Market
- (4) Employment opportunities
 - Job opportunities for college students
 - Generation friendly jobs
 - Good paying jobs
- (3) Retail shops – Vibrant shops, a Mt. Dora North
- (2) Hotel
- (1) Center of attraction for families to come
- (1) Movies
- (1) Port
- (1) Riverfront condos
- (1) Commercial building on SR16
- (1) Light industrial on SR16
- (1) Water taxi – port and pier
- (1) Train stop – Amtrak, light rail Jacksonville
- (1) Local taxi service
- (1) Marketing – promoting Green Cove Springs
- (1) Industry - \$50,000
- (1) Tours
- (1) Pedestrian tourism
- (1) Young adult entertainment
- (1) Cafes, like Avondale

Development/Redevelopment

- (3) Parking accessibility
- (3) Annexation
 - At least to service area
- (2) Redevelop Reynolds Park
- (1) Affordable housing
- (1) Better retirement facilities
- (1) Development on Hwy 17
- (1) More freedom of development/bigger/less restrictions
- (1) Blend new buildings with old
- (1) Canvas canopies
- (1) Historic fixtures
- (1) Redevelopment of west side Green Cove Springs – upgrade housing
- (1) Less strip malls
- (1) Waterfront development for recreation, banquet hall
- (1) Zoning that makes sense – restrict certain businesses
- (1) Managed growth
- (1) No Blanding Blvd.

Education

- (1) Opportunities for young minds
- (1) Better schools
- (1) Schools teaching to the whole person and management
- (1) Community involvement in schools

Government Services/Operations

- (2) Improved parks/playgrounds
 - Make each park unique in its own way
- (2) Multi modal transportation hub – improve ride choice
- (1) Consolidate transportation items
- (1) Self driving transit – trams
- (1) Traffic control – traffic lights, speed bumps
- (1) Traffic diversion from Hwy 17
- (1) Lower electric rate
- (1) Have County maintain/upgrade their buildings
- (1) City communication strategy, surveys

Infrastructure

- (3) Underground utilities
 - Different electric company
- (2) Pedestrian bridge over Hwy 17
- (2) Internet
 - City-wide WiFi
 - Outstanding social media to attract more people
- (1) Drainage
- (1) Improved infrastructure
- (1) City pier improvement
- (1) More sidewalks
 - (1) Grove St. opened for canoe access to river
 - (1) Fix the dock
 - (1) Waterfront benches at end of streets
 - (1) Trails – proposed; master trail plan

CONCLUSIONS

The community visioning workshop was well attended with a mix of participants who were fairly new to the city along with long-time residents. However, one common characteristic was evident and that was the love the residents of Green Cove Springs have for the city and their optimism to see it continue as a wonderful place to live in the future.

There was no shortage of ideas generated and as the City Council plans for the future, it is important that the Council keeps in mind the identified treasures and values that the residents would like to see continued or improved upon. There was broad agreement upon the following:

- The river is a major asset that must be preserved with access available for water-centric activities;
- City parks are highly valued, particularly Spring Park;
- The historic nature of the city, brick streets, and the quaint environment are treasured;
- Residents love the small town feel of Green Cove Springs, its walkability, and sense of community;
- Events and festivals play a major role in the city; and,
- A safe city with the security of having a police department is important.

While numerous suggestions were made for projects and programs to be initiated to create a desired future for the city, there was not a great deal of consensus on what that should consist of. It is clear however that the following issues were supported by many of the people in attendance at the workshop:

- Efforts to cleanup and beautify the city should happen;
- Anything that enhances and maintains a high quality of life for the residents would be welcomed;
- There is a need for economic development, particularly a desire for more options in the city for shopping, restaurants, grocery stores, hotels, and entertainment;
- Job development, for all ages, is seen as essential;
- There is an acceptance that growth will occur, but it should be managed to maintain the historic nature of the city and its small town, family-friendly culture;
- Housing variety and upgrades are important;
- There is a need for transportation alternatives; and,
- The city should invest in technology, particularly WiFi for all residents.

The City of Green Cove Springs is poised to embrace a future that maintains the qualities that have drawn people to the community in the past and that will ensure it is a city that provides new opportunities for the people who choose to call this home.

APPENDIX A

The treasures and values identified by participants who attended the Community Visioning workshop held on March 3, 2018:

Table #1

Security in Green Cove schools
Love as small town
Keep/save historical feeling of town
Waterfront attractions
Our big treasure – Spring Park
Potential of growth
Family oriented
Waste/sanitation crew (pick up route crew)
City's own police department
Easy accessibility to the City staff

Table #2

Spring park/pool
Historic buildings/day theatre
Arts and craft festival
Tourism/small town feel
Bicyclist/Bed and Breakfast
River/Riverfront
Public access to river
Clay Port area
Museums/historic triangle military
Diversity/people
City electric value
Small businesses

Table #3

Maintain the character of the older parts of the city
Balance of use of the riverfront
Public access
Preserve single family and older homes
Cautious with multi-family or condos
The City Police Department is an asset
Ambiance: trees, brick roads, each home unique
Citizen inclusion/involvement
City festivals/events
County seat of government

Table #4

The river is a value
Water attractive
Kayaking and boating
Only Clay County non-boating access
Brick streets (historic appearance)
Walkability
County seat
Court house
Jail
County administration
DMV
Police Department
Fire station
Veteran's administration representative
Trails and trail plan
Tree city
New pool and Spring Park renovation
Historical triangle
Proximity Fairgrounds
Florida weather (3 seasons)
Market in the park
Events
River fest
CalaVida
Christmas on Walnut and Christmas Parade
Soul Food Festival
Clay County Fair
Antique car show
River cruise stop
Senior Center
Clay Transit hub
Churches
Schools
Governors Creek
Charitable organizations
VFW, Elks, FOE, Food Pantry, Etc.
Nana's, Rotary, VIA
Nature
Recreation
Spirituality
Governance (law, order)
Town Center
Sense of Community
Community service and caring
Museums
Military History

Cemetery in St. Johns Landing
Improved Code Enforcement
Police presence
Commercial building cleanup
M Law building, Walgreens, CVS
Sup Elections
Gateway Corridor

Table #5

Treasure – City Park, spring, boat slips, fishing
Military museum
Old court house and jail
The river
Bed and Breakfast
Having 4 parks – enhance 3 parks
Augusta Savage Community Center
We are the County seat
Walking trails/nature
Festivals
Historic History – small town values

Table #6

River
City dock and harbor
Green Cove History
Brick Street (Walnut St.)
Spring Park and Pool
Small town feel (people and property)
Governor's Creek Boat Ramp (County property)
Close to big stores in Fleming Island so Green Cove can keep quaint shops with the small town feel

Table #7

Historical homes (many...)
Trees/replanting/replacement
 Regulation?
 Protection
Cobblestone – streets
Congruency – feel/look/mood
Antique shops
Rx
Park
River
Railroad
Courthouse
Military history
River Park Inn
Character
Greatest generation
Trust/family

Table #8

Sidewalk (walkability)
History
Charm
Hometown feel
Park (Spring Park/Pool)
Council
Access to the River!

Table #9

Police response
Customer focus
Professional services
Well run town (won't survive without growth 25,000+)
Quiet/cozy
Good schools
Close community
River (capitalize on the resource)
Walkability (golf carts) (but heavy traffic is a problem)
Hometown non-chain restaurants
Spring and new pool
History
Technology (energy cove court)

Table #10

Spring Park – river, trees, pier
Brick streets
Small town feel
Walnut Street
Like Avondale
Increase local owned café, shops
Less franchise
Golf course – River Bend
Industrial Park
Airport
Historical Triangle
Historical society
Senior Center
Conservation area
Recreation, fishing, boating, trails
Police Department
Relationship with community, seniors, children
Vera Francis Park
Land north of Elks Club potential park
Clay Theatre
Old Florida style
Architectural design

APPENDIX B

VISION 2025

Vision for the City of Green Cove Springs in 2025 as described by the small discussion groups on March 3, 2018. Because some attendees left before these discussions, the groups were consolidated into 8 tables for this portion of the agenda. Items highlighted with an asterisk in front of them are the priorities each group designated for the future.

Table #1

*In 2025, outstanding social media/internet presences to attract more people

*Improved infrastructure

Underground electricity/different electric company

Drainage

Lower electricity rate

*Center of attraction for families to come

Family friendly activities

Improved parks/playgrounds

Movies

Sports organizations

Employment opportunities

Affordable housing

Opportunities for young minds

Increase opportunities for seniors

Better retirement facilities

Activities to stay active

Table #2

*Keep small town feel, with commercial enhancements, walkable

*River life – boating, canoeing, kayaking

*US 17 and Walnut Street beautification

Pedestrian bridge over US17

Legal golf cart community

Evening businesses

Restaurants

Mount Dora North shops/restaurants/pubs

Parking accessibility

City wide Wi-Fi/residents

Improvements on outdoor activities – biking, hiking, nature walks

City pier improvement

Children's recreation

All ages activities

Table #3

- *Annexation to at least service area
- *Maintaining city look when beltway comes in (core)
- *Development (planned) on Hwy 17
- Have county maintain/upgrade their buildings
- Allow out city more freedom of development/bigger/less restriction

Table #4

*Port

- River front condos with marina
- Commercial building on #16
- Light industry in south of #16
- Water taxi between port and City pier
- Remove shuttle fuel tank
- River access

*Core city

- Vibrant shops (no vacancy)
- Canvas canopies
- Adequate parking
- Eateries within walking distance, especially evening dining
- Blend new building with old structures
- Trader Joes (Whole Foods, others)
- Remove “trashy” look of Highway 17

*Consolidate transportation items

- Local taxi service
- Self-driving transit for residents (maybe tram)
- Multi-modal transport hub
- Train stop in GCS (not only Amtrak, Light Rail Jax)
- Improve ride choice
- Keep trees (treescape plan, beauty and safety as focal point)
- Underground electric
- Cleaner (streetscape, row/medians improved)
- Historic fixtures
- Adequate street lighting in business area and residential area
- Traffic diversions from Highway 17
- Redevelop Westside of GCS. (Upgrade housing stock)
- Develop local good paying jobs
- Senior housing (carriage house concert)
- Annex to service area boundaries

Table #5

*Job opportunities for college students
*Marketing (promoting schools) (what GCS has to offer)
*Grocery Store, hotel, 5 Star restaurant
Industry (\$50,000)
US17
Augusta Savage Center (service center stores)
Cove Life – marketing
Tours (for cruises that come in)
Improve face structure of buildings – Walnut St.
Keep next generation here
Children have no place to go, community center, arcade, keep off streets, move structure
Why should people retire here? + Community center, hospital
Economics in GCS with Beltway coming in
More businesses needed
Tax deduction for businesses
Luring businesses into the City

Table #6

*Canoe and kayak slide at City Park and Governor's Creek also
*Reclaimed brick roads – remove the asphalt
*Electric utilities underground
Less strip malls
Uniform architecture
Better schools
Young adult entertainment options
More restaurants (not chains) (open for dinner)
More sidewalks (walkable sidewalks)
Grove Street opened up for canoe access to the river
Pedestrian bridge crossing, Hwy 17 large enough for bicycles (located in the Core area)
Reynolds Port Development – docks, pier
Traffic control – speeding (traffic light at McDonalds) (speed bumps Magnolia Ave)
Noise restriction for trucks
City incentives to businesses to add landscaping buffers along Magnolia Ave.
Zoning that makes sense – restrict certain businesses (certain commercial areas)
Preserved plans for the future
Small town feel
City bypass to relieve Hwy 17 traffic (part of vision for the future)
Maintain proper buffers for property values

Table #9

*Lodging – limited place to stay once you are here
*Community involved in solutions
*Entertainment lacks opportunities, waterfront development for recreation, banquet hall
Fix the dock (enhancements)
Functional Golf Cart Community
Schools teaching to the whole person and management
Waterfront benches at the end of streets
More restaurants
City communication strategy including survey strategy
Make each park unique in its own way
Community involvement in schools
Redevelop Reynolds Park
Community involvement completing tasks getting things done
Grocery store
Retail stores
Annexation
Fresh Markets

Table #10

*Managed Growth
*Historic area – preserved
 Central business district – defined
*Trails – proposed
 Master trails plan
 Parking
Grocery store – small mom and pop
Pedestrian Tourism
 Walnut Street
 Pedestrian only – bridge 17 across
 Cafés, Avondale
Pier – enlarge, improve, more slips
Walking to Walnut
Historic garage – 3 stories
Preserve architecture
 Rebuild similar design
Jobs – industry
Generation friendly jobs
Restaurants
No Blanding Blvd
