2019 Sponsorship Information

Our Trunk or Treat event began in October 2014 as an annual event for children in our community. The event is sponsored by the Green Cove Springs Police Department. It is a free event that offers light refreshments, candy, and prizes provided for all. Fundraising events are held prior to the event to pay for the costs associated with putting on such a large production at no-charge to our participants. This is safe alternative to trick or treating from door to door. Please help us to continue to serve and promote the youth of our community.
